Please Welcome Katie Sencion
our new Assistant Director!!

Dear Kids 'R' Kids Families,

I am absolutely thrilled to join the team as your new Assistant Director! I bring 19 years of experience in both early childhood education and school-age education. My background includes working with trusted organizations like the YMCA, KinderCare Education, and Orange County Public Schools, and I am honored to step into this role to lead our wonderful school community. My educational philosophy aligns perfectly with our core value here at Kids 'R' Kids: Hug First, Then Teach. I truly believe that before we can educate a child, we must first make them feel safe, secure, and loved. My top priority is to ensure our school remains a nurturing second home where your little ones can thrive and grow confidently.

I value open communication and look forward to partnering closely with you. Please feel free to stop by the office to say hello—I cannot wait to get to know each of your amazing families!

Warmly,

Katie Sencion

Assistant Director, Kids 'R' Kids
