Happy  
New  
Year

We made it to 2019 and are so excited to see what is in store over the next few months!

Our annual yearly calendar will be ready by mid January so that you know of all the

special events we have planned throughout the year! These include Parent Night Out's, holiday closing schedule, family fun events and more! It certainly helps to get all this info early so that nothing is missed!

As we look over the past year, we reflect on the many accomplishments that we have made.

We are also very proud of the fact that we never stop striving for continuous improvement and are constantly looking for ways to improve the job we do with our children each and every day.

We cannot thank you enough for allowing us the opportunity to educate and care for your most precious gifts...your children!

## Inclement Weather Information

This time of year can be very exciting for children, especially if the weather man calls for snow! Just the mere mention that we have a few snow flurries in Texas, and we are glued to our TV's watching to hear if schools are closed! This news can also cause quite the panic as grocery store shelves empty out quickly of bread and milk! One would think

that we endure winters being locked in our homes due to treacherous weather!

On a more serious note, this type of news can be very important for parents to know since this might mean that work might be missed or other child care arrangements must be made. Please know that in the case of inclement weather, if Frisco ISD decides to

close, that will be the clue to see if our schools will delay opening or be closed as well. Please know that if we can get our teachers to the schools safely, then our doors will open as usual for business.

Whatever the decision is, please get the closing info from our Facebook page or an email from Tadpoles. Final decisions will be made no later than 6am! Bring on the snow!

As a friendly reminder, we will close at 2:30pm sharp on December 31st and be closed all day January 1st to bring in the new year! Here is to a fabulous 2019!

## Star Employee of the Month for West Frisco!

For January, our West Frisco campus chose Ms. Trudy to receive this honor!

Trudy is extremely reliable and loves what she does. She builds strong relationships with the staff, parents and children. Trudy

does a great job in our computer lab instructing ABCMouse and making sure the children stay on track with their learning paths. Thanks so much Ms. Trudy for all you do! We appreciate you!

## Star Employee of the Month for Legacy West!

We would like to honor Ms. Ashley for her hard work and dedication. Not only is she trying to get her Commercial Drivers License to drive the bus, she has been a back up to the back up cook, stays late whenever needed and is overall a teacher that we all love! Way to go Ms. Ashley! We are so glad you are a part of our KRK team!

## West Frisco Classroom of the Month for January!

For January, our West Frisco campus chose our school age teachers to give this award to! Our West Frisco campus has an amazing school age program and it is due to the hard work and dedication of Mr. James and Ms. Beatrice. They haven't worked together for very long but you certainly wouldn't know that by watching them! They run this room like a well oiled machine and for that we are all thankful!

## Legacy West Classroom of the Month for January

Our Legacy West management team has chosen Suite 100 as January's Classroom of the Month! Ms. Melanie and Ms. Destiny truly have the kindest hearts and a genuine love for the children they care for each day. Parents can leave their babies each and every day without a worry in the world and that is a priceless gift to give!

Thanks ladies for all that you do!

## KRK Sponsors Brick Live Event @ The Star!

We are thrilled to be able to be a part of the Brick Live event on January 26th and 27th at the Star! This Lego event will feature over 99,000 square feet of astonishing interactive exhibits, hands on activities, live performances and incredible demonstrations for builders of all ages. This will be the largest brick event in the US, giving visitors access to more than ten million bricks! Some of our staff will be working the event so please meet us there!

Make one of your resolutions for 2019 by taking more time out for yourself. Bring the kiddos to PNO and plan a fantastic date night with the one you love! The children wear their PJ's, watch movies, play games and more! Inquire for pricing!

One child:: \$25 Two: \$40 Three children :\$50

You will never have this day with your children again. Tomorrow they'll be a little older than they were today.

**This day is a gift.**

Just breathe, notice, **study** their faces and little feet. Pay attention. Relish the charms of the present. **Enjoy today**, it will be over before you know it.

## Parent Advisory League Meeting Thursday Jan. 31

You might be asking yourself, "What is this?"

A Parent Advisory League is like a PTA for our preschool. PAL members meet with management members once a quarter to discuss various topics. Items in past discussions have been communication, teacher appreciation, parent events and more! If you would like to be a volunteer and join our Parent Advisory League., we would love to have you! Please let your Director know and we will see you on Thursday, January 31st @ 6pm. Child care will be provided.
