

### TPFM Discount Agreement Form

Kids 'R' Kids Schools of Quality Learning values our parents and the jobs that they do to support our community. Your efforts do not go unnoticed and we want to show our appreciation.

Our currently policy states that we will give a 10% discount for those that teach in a local ISD, active in the military, a police officer or member of the fire department. We refer to this as a TPFM discount and it begins once a child turns two years of age. However, in order to show our own respect for those in these chosen fields, we will waive the age stipulation until the end of 2021. We want to thank you again for choosing our school and welcome to the Kids 'R' Kids family!

By signing this document you agree that you will accept a 10% discount being applied to your account. This discount will go into effect your first week of care and end on December 31<sup>st</sup>, 2021. Starting January 3<sup>rd</sup>, 2022, your tuition will go back to the amount that is currently listed on our rate sheet as per your childs age. If your child happens to turn two before the end of this agreement, the discount will remain in place for all future tuition charges. You also agree to inform us of any job changes that would affect the validity of this discount.
