Tuition Policy

Please initial beside each item listed below.

- ☐ Tuition will be charged on Friday for the upcoming week
- ☐ All payments are taken using our automatic withdrawal system. We require all families to have a current auto-draft form on file.
- ☐ The enrollment fee is a nonrefundable fee paid at the time of enrollment. This fee simply holds your child's place on our center's waitlist and does not get applied to your first week's tuition.
- ☐ Late fee charges cannot be waived for any reason outside of immediate family medical emergencies and can only be discussed by appointment. This does not include general illness.
- ☐ If tuition is more than two weeks behind, childcare services will be suspended and all future tuition must be paid two weeks in advance before service can continue.
- ☐ Families out for full week may receive a vacation week. You will receive five half weeks per enrollment year, and one free week after one consecutive enrollment year. Tuition Adjustment forms must be completed, and payment made prior to the start of your departure.
- ☐ If we receive a returned ACH payment you will receive a \$35 NSF fee. Three (3) returned ACH payments may cause an interruption of care.
- ☐ Bi-annual Education Fees (\$75/child) are charged every February 1st and September 1st and thereafter.

DISENROLLMENT POLICIES

A one-week written notice is required when disenrolling a child for any reason. If proper notice is given any unused tuition will be refunded within 30 days of the disenrollment. If the required notice is not given, parents will be charged tuition for one additional week from your automatic payment system. Disenrollment forms can be found on our website or at the front desk. If you disenroll for any reason including summer break, you will be charged a new enrollment fee on your last day to save your child's spot and you will be placed on the current rate sheet upon re-enrollment.

Health & Medication Policy

In our center we have very specific guidelines for parents to reference regarding health. These policies are intended to be very clear on what health issues would make it necessary for your child to be kept out of school. It is our hope that these policies address all concerns from parents to staff. Administered correctly and fairly, they should protect the best interest of all our children, well or ill, as well as our teachers and staff. But as we do our best to keep the entire center healthy and germ-free, we do ask for your help in following these guidelines and policies.

To preserve the health of all children, we ask that you not send a sick child to school. Small children in particular are prone to infection because their immune systems are not fully developed. One sick child in the classroom places all other children at risk.

A child who has a fever should not be sent to school under any circumstances. A child who is listless or shows signs of illness should be kept home. Children should never be given medication to bring a fever down and then brought to school. Keep your child at home if you observe any of the following symptoms: 1) Persistent stomach ache, diarrhea, and/ or vomiting (state guidelines use three times during the day); 2) Deep or hacking cough even if fever is not present; 3) yellow or green mucus discharge; 4) a rash that has not been diagnosed by a physician; 5) undiagnosed and untreated pink, swollen, or matted eyes 6) a temperature over 100.0.

A child can return to school when the fever is gone, and the temperature has been normal for at least 24 hrs un-medicated and active signs of illness are no longer present. Children do not have to remain away from the center until all secondary symptoms disappear since some nasal and bronchial congestion may linger for several days following a cold or flu, but the child generally will not be contagious. Consult your physician if you have any questions.

Medications administered by the school follow very strict guidelines. You must sign in all medications in our medication log. All medications must be dropped off at the front desk and are stored in a locked closet or refrigerator. Indicate the dosage clearly, and the prescription number. All medications must be taken home every day. We will not administer one or two a day medication. These are also noted as AM/PM dosages. Our medication times are 11:30 a.m. and 3:30 p.m., this is to keep us on a schedule, so we don't miss any medications to be given. We will not give medication at any other time that is not on our rotation. If you have a special need, you can discuss this with the front desk. All over-the-counter medication must be accompanied by a doctor's note. Notes are valid for two weeks only. Medicine must be in its original container and must be labeled with the child's full name and date. We do not dispense expired medication; all expired medication will be returned or discarded. If a physician has ordered long-term special medical management (i.e. asthma, EpiPen, etc.) for a child, an adult trained in the procedure must be present when the child is on site. This could be front desk personnel or classroom teachers in special circumstances.

It is asked that you please tell the front desk if your child was diagnosed or exposed to a contagious disease. This gives our staff insight into the symptoms we may be looking for in other children and we post this information for you to be aware of anything going around.

If a child is not immunized and comes down with a vaccine-preventable disease, to which children are susceptible, your child will be immediately excluded from care until released by a physician.

All TB testing requirements are set by the health department. Although not required, we prefer all employees be vaccinated.

Acknowledgment & Receipt of Discipline & Behavior Management Policy

Praise, positive reinforcement, and redirection are effective methods for behavior management of children. When children receive positive, non-violent, and understanding interaction from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from the Kids 'R' Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids 'R' Kids Schools of Quality Learning we use a method of "redirection" to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will "redirect" the child toward the appropriate behavior. If a child must be re-directed to "quiet time", they will not be separated from their peers for more than 1 minute per year of their age.

Prior to expelling or disenrolling a child because of a child's persistent and seriously challenging behavior Kids R Kids #51 will:

- 1** Consult with the child's parents/legal guardians and teacher to maintain the child's safe participation in our program.
- 2** Inform the parents/legal guardians of a child exhibiting persistent and serious challenging behavior after an in-center observation is completed in order for the child to safely continue to participate in our program.
- 3** If the director determines that the child's continued behavior is a safety threat to the child or others enrolled, the director shall refer the parents/legal guardians to other potentially appropriate placements such as resource and referral agencies and programs, or other local childcare centers available in our community.

All of our employees are required to have annual training on responding to abuse and neglect of children. This training increases awareness of the warning signs of abuse (i.e. verbal expression of abuse by the child, statement made by another individual, physical evidence, unexplained injuries). If any parent or employee suspects a child is being abused or neglected, you must visit <http://www.hhs.texas.gov> to make a report. Or call the local licensing office at 936/756-5400. This policy complies with federal and state civil rights laws.

I, the undersigned parent or guardian of _____, do hereby state that I have read and received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director (or other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.

Alternate Food Policy

KRK serves breakfast, lunch, and PM snacks that meet nutritional guidelines set up by the State of Texas. The menu is posted outside of the kitchen and on the Parent Information Board for review. If your child requires a special diet for medical reasons, we must have written documentation from a physician or registered/licensed dietician in your child's record. If your child does not want to eat the food we serve, we will discuss recurring eating problems with you and encourage but not force your child to eat. We serve family-style dining. We serve water at each snack and mealtime in addition to juice and milk.

I understand that if I chose to provide alternate meals/snacks for my child, I am waiving KRK's responsibility to provide a balanced nutritional diet for my child that day.

We are a peanut-free facility.

Vision Statement

We believe children should be **"Hugged First, then Taught"**

MISSION STATEMENT

Kids 'R' Kids Schools of Quality Learning provide a secure, nurturing, and educational environment for children; a place for children to bloom into responsible, considerate and contributing members of society. At our school we want all children to have the opportunity to grow physically, emotionally, socially, and intellectually by playing, exploring, and learning with other in a fun, safe, and healthy environment.

As a family owned and operated organization, Kids 'R' Kids Legends Ranch welcomes positive family involvement and encourages a parent-teacher approach where the need of every child comes first to obtain successful early childhood education and school-age care.

PROCEDURE FOR NEGOTIATING DIFFICULTIES BETWEEN FAMILIES & PROGRAM STAFF

As a family-owned and operated organization, Kids 'R' Kids welcomes positive family involvement and encourages a parent-teacher approach where the need of every child comes first to obtain successful childhood education and school-age care. Parents may have mixed feelings about leaving their children in group care. In order to make yourself feel more comfortable, you are welcome to spend time in the center not exceeding 30 minutes. This helps create a trusting environment between the parent-teacher and the student.

Management highly encourages communication between parents and teacher to happen during pickup and drop off times. If an issue cannot be resolved within the classroom, parents should contact the Center Director. Every effort will be made at that level to resolve any issues during a parent-teacher conference. However, if the issue remains, parents would then be directed to speak to the Owner of the facility. We have an open-door policy when needing to speak with the Director to schedule a parent-teacher conference and we will schedule a parent-teacher conference when needed at a time that works best for the classroom.

Field Trip Policy

Your calendar is set up so that you will be ready for each day. All field trips are posted at least 24 hours in advance. Please pay close attention to the scheduled leaving and returning times on the day of the field trip.

You will also need to pay close attention to what items your child will need on the day of the field trip. Please make sure your child arrives (15) minutes prior to every field trip. This will ensure we have adequately accounted for your child and all required preparations are met. We will not provide alternate care for your child so please be on time and plan your appointments around the field trip schedule.

Each child will need to have a camp colored KRK field trip shirt with all of our center information on it every time they leave the building. You may purchase t-shirts for \$10. If your child arrives at KRK without a t-shirt on a field trip day, we will put them in a shirt and charge your account \$10. We do not have loaner shirts.

When lunch is required, it needs to be in a gallon Ziploc bag or other waterproof bag. These lunches will be put in coolers with ice packs to keep them cold, so a brown paper sack will not work. Please label the outside of your child's lunch. **All lunches must be peanut free, if you do not pack a peanut-free lunch we will have a replacement made in the kitchen and your account will be charged for the meal. If your child arrives at KRK without a lunch on a field trip day, we will provide one and charge your account \$10.**

You will be responsible for applying the first layer of sunscreen on your child as they dress in the morning. We will re-apply sunscreen throughout the day, depending on the activities for that day.

Please do not send any money with your child for their outings. We are not responsible for any electronics or any items that are brought from home. If such items are brought, your child will have a daily time limit. Please note that we reserve the right to ban a child's electronics at any time.

If you want to volunteer to attend a field trip, the front must be notified in advance, a volunteer guidelines policy must be signed, and a background check must be completed.

Drop Off & Pick Up Procedures

KRK is open Monday through Friday from 6:00 a.m. to 6:30 p.m. If your child is picked up after 6:30 p.m. you will be charged a late fee of \$15/child for every 15 minutes past 6:30 p.m. and \$30/child for every 15 minutes past 7:00 p.m. If your child is still here at 7:00 p.m. and there has been no communication from the parents, we will contact the local authorities. Picking up more than ten minutes late two or more times may result in termination of services.

To ensure an open line of communication between you and your child's teachers, we require all parents/guardians to walk inside and drop off and pick up your child from their classroom. We also ask that parents/guardians refrain from using their cell phones and electronic devices.

Per minimum standards, parents/guardians are required to check their child in and out each day. At our facility, we do use a contactless check-in/out app by the name of ProCare.

The ProCare app is available for download in the App Store & The Play Store. You will need to create an account with all of your personal information, and on your first day of enrollment, each parent/guardian will receive an email with their own unique 10-digit code to add your child to your ProCare account. Once your child has been added to your Procare app account you can start using the app for contactless check-in and out, as well as updating your contact information and your permitted to pick up list.

In the event of rain, you may use the Kiss and Go Lane to pick your child up, but please remember not to block the crosswalk, and to keep traffic flowing do not park in the Kiss and Go Lane.

If your child is in our Private Kindergarten class, absences, and tardies are documented on each report card. Your child is considered tardy after 8:00 AM.

Familiar activities can provide comfort for both adults and children during challenging and uncertain times. Just like adults, children feel more confident and secure when their daily activities are predictable and familiar. A consistent daily schedule and step-by-step routines give children a predictable day. Schedules and routines in the group care setting help children engage in learning. Circle time is imperative for your child's start to this program, please ensure that your child is checked in and in class before their circle time (8:30 am) to limit disruption during circle time.

Operational Policy on Infant Safe Sleep

This form provides the required information per minimum standards §746.501(9) and §747.501(6) for the safe sleep policy.

Directions: Parents will review this policy upon enrolling their infant at and a copy of the policy is provided in the parent handbook. Parents can review information on safe sleep and reducing the risk of Sudden Infant Death Syndrome/ Sudden Unexpected Infant Death (SIDS/SUIDS) at: <http://www.healthychildren.org/English/ages-stages/baby/sleep/Pages/A-Parents-Guide-to-Safe-Sleep.aspx>

SAFE SLEEP POLICY

All staff, substitute staff, and volunteers at _____ will follow these safe sleep recommendations of the American Academy of Pediatrics (AAP) and the Consumer Product Safety Commission (CPSC) for infants to reduce the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death Syndrome (SIDS/SUIDS):

- Always put infants to sleep on their backs unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [§746.2427 and §747.2327].
- Place infants on a firm mattress, with a tight fitting sheet, in a crib that meets the CPSC federal requirements for full-size cribs and for non-full size cribs [§746.2409 and §747.2309].
- For infants who are younger than 12 months of age, cribs should be bare except for a tight fitting sheet and a mattress cover or protector. Items that should not be placed in a crib include: soft or loose bedding, such as blankets, quilts, or comforters; pillows; stuffed toys/ animals; soft objects; bumper pads; liners; or sleep positioning devices [§746.2415(b) and §747.2315(b)]. Also, infants must not have their heads, faces, or cribs covered at any time by items such as blankets, linens, or clothing [§746.2429 and §747.2329].
- Do not use sleep positioning devices, such as wedges or infant positioners. The AAP has found no evidence that these devices are safe. Their use may increase the risk of suffocation [§746.2415(b) and §747.2315(b)].
- Ensure that sleeping areas are ventilated and at a temperature that is comfortable for a lightly clothed adult [§746.3407(10) and §747.3203(10)].
- If an infant needs extra warmth, use sleep clothing _____ (insert type of sleep clothing that will be used, such as sleepers or footed pajamas) as an alternative to blankets [§746.2415(b) and §747.2315(b)].
- Place only one infant in a crib to sleep [§746.2405 and §747.2305].
- Infants may use a pacifier during sleep. But the pacifier must not be attached to a stuffed animal [§746.2415(b) and §747.2315(b)] or the infant's clothing by a string, cord, or other attaching mechanism that might be a suffocation or strangulation risk [§746.2401(6) and §747.2315(b)].
- If the infant falls asleep in a restrictive device other than a crib (such as a bouncy chair or swing, or arrives to care asleep in a car seat), move the infant to a crib immediately, unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health-care professional [§746.2426 and §747.2326].
- Our child care program is smoke-free. Smoking is not allowed in Texas child care operations (this includes e-cigarettes and any type of vaporizers) [§746.3703(d) and §747.3503(d)].
- Actively observe sleeping infants by sight and sound [§746.2403 and §747.2303].
- If an infant is able to roll back and forth from front to back, place the infant on the infant's back for sleep and allow the infant to assume a preferred sleep position [§746.2427 and §747.2327].
- Awake infants will have supervised "tummy time" several times daily. This will help them strengthen their muscles and develop normally [§746.2427 and §747.2327].
- Do not swaddle an infant for sleep or rest unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [§746.2428 and §747.2328].

Transportation Agreement & Rules

I, _____, allow Kids 'R' Kids of Legends Ranch to transport my child, _____ for the following reasons:

- ☐ **To school** **Name of School** **Begins at** am
- ☐ **From school** **Name of School** **Ends at** pm
- ☐ **Field trips** Individual permission forms will also be signed for each trip
- ☐ **Emergencies**

School Age Children Only

Yes, I received a copy of the rules that my child is expected to follow while being transported. I will review these rules with my child.

TRANSPORTATION GUIDELINES/RULES

The school bus rules and policies were created to ensure the safety of our students. Inappropriate behavior by students on the school bus can cause the driver to divert his/her attention away from the road, compromising the safety of all passengers and to surrounding traffic. Because of this, bus drivers are required to report student discipline issues to the Director. Repeated violations of the rules may include the following disciplinary actions:

- Counsel/re-instruct the student
- Move the student to another seat
- Note to home or call to the parent
- Student suspended from riding the bus
- It is vital that Kids 'R' Kids of Legends Ranch be notified of any changes in the above scheduled transportation. We will assume that the above schedule will be followed unless we receive different instructions from the parent/guardian. **Notify us as quickly as possible if your child does not need afternoon transportation.** Failure to notify us of changes in the afternoon pickup causes confusion and delays in our schedule while we learn the whereabouts of your child. **Failure to adhere to this policy may result in a \$5 charge to your account.**
- In the event that the designated location is unable to receive children, they will be returned to Kids 'R'

Kids of Legends Ranch.

- Children will not be left unattended in any vehicle used for transportation.
- Children will wear seat belts.
- Your child must be at the center **no later than 7:15am to be transported to school in the mornings. If your child needs breakfast, he/she needs to be at the center by 7:00am.**
- Follow the driver's instruction.
- Remain seated, facing forward at all times.
- Keep the aisle clear – books and bags are tripping hazards and can block the way in an emergency.
- Keep all body parts and other objects inside the bus.
- Talk quietly and use respectful language, be courteous.
- Do not throw anything inside or from the bus.
- Do not eat or drink on the bus, to include gum and candy.
- Wait for the bus to stop completely before undoing the seatbelt and getting up from your seat.
- Do not mark upon, deface or cut the bus seats or otherwise cause damage to the bus. Parents are held responsible for damages incurred by their child.
