Egypt Fun Facts: * The Nile River, the longest river in the world, flows uniquely from south to north, emptying into the Mediterranean Sea. * Cats were treated like royalty: People in ancient Egypt loved cats and believed they brought good luck. They even treated them like sacred family members.			SST Early Dismissal (1-Hour Early)			Multicultural Focus: Egypt

Hispanic Heritage Month is celebrated each year from September 15 to October 15. It began as a week-long celebration in 1968 under President Johnson and was expanded to a month by President Reagan 20 years later in 1988. The month-long celebration provides more time to properly recognize the significant contributions Hispanic/Latino Americans have made in the United States.
