Our Philosophy

We believe children should be “**Hugged First, Then Taught.**”

Our Mission

Kids‘R‘Kids Learning Academy provides a secure, nurturing, and educational environment for young children; a place for children to bloom into responsible, considerate, and contributing members of society.

Kids‘R‘Kids wants all children to have the opportunity to grow physically, emotionally, socially, and intellectually by playing, exploring, and learning with others in a fun, safe and healthy environment.

As a family-owned and operated organization, Kids‘R‘Kids welcomes positive family involvement and encourages a family-teacher approach where the needs of every child comes first to obtain a successful early childhood education.

Kids‘R‘Kids History

After twenty-four years of operating Kiddie City, a very successful childcare and kindergarten located near Atlanta, Georgia, Pat and Janice Vinson decided to build a preschool from the ground up. They sold their business and moved closer to the city where they designed, built, and opened the very first Kids‘R‘Kids in May of 1985. With a growing need for quality care and the overwhelming success of their first school, another Kids‘R‘Kids opened fourteen months later, and yet another two years after that.

Business was booming but it was also becoming complicated to stay on site in three different locations; therefore, the concept of franchising came into practice. Kids‘R‘Kids International, Incorporated was then formed and Pat and Janice Vinson sold their first franchise in the fall of 1988, Kids‘R‘Kids #4 Georgia. Kids‘R‘Kids International, Incorporated has since blossomed into a nationwide corporation serving owners and their businesses throughout the United States.

Purpose of this Handbook

This handbook was developed to answer many of the commonly asked questions that children and families may have during the school year. The handbook contains information about child privileges and responsibilities. Therefore, families and children are responsible for knowing its contents. Please take the time to become familiar with the handbook and keep it accessible for your use. It can be a valuable reference during the school year and a means to avoid confusion and misunderstandings when questions arise.

The School reserves the right to interpret the content of the handbook, including the rules and regulations governing the conduct of students and parents. This handbook is not a contract, nor is it intended to be construed as such. Our School reserves the right to modify and/or amend the content of this handbook at any time during the year as we deem appropriate.

If you have any questions about the handbook or any of its policies, please contact the Owner.

Equal Opportunity

This School does not discriminate on the basis of race, color, religion, national origin, sex, citizenship, handicap or disability or any other legally protected status in regard to admissions or in the administration of its educational policies and administered programs.

This School makes its programs and services accessible to individuals with disabilities. The School welcomes requests for accommodation. The School will attempt to provide reasonable accommodations to qualified students with mental or physical disabilities, to the extent that such a request does not cause a fundamental alteration to the School's programs/curriculum and to the extent that it does not create an undue hardship for the School.

The first step in requesting an accommodation is to provide the Owner with documentation of the condition from a qualified professional, such as a physician, psychiatrist, or psychologist. Upon receipt of such documentation and recommendations, we will communicate with the family in an interactive process to obtain additional information or discuss the circumstances related to the request.

Communications

Family-School Involvement

We welcome family input and encourage you to visit your child's classroom and speak with your child's teacher. We have an open-door policy at our School and families are encouraged to get involved in their child's classroom.

If you would like to request a conference, please call during School hours to set up a convenient time. Conferences can be requested at any time and may include the teachers, administration or both.

On a daily basis, please be sure to check your child's cubby box and classroom folder for messages, daily reports and artwork. Notices and messages sent by you should be written and submitted to the teacher or front desk staff.

Infants through four-year olds will have a daily report completed by the classroom teachers to relate the day's events specific to your child.

There are daily opportunities to get involved in your child's day, so feel free to come and have lunch with your child in our Kids Café. Many additional activities will be provided to encourage interaction between families, teachers, and children such as carnivals, family picnics, holiday parties, and field trips.

Another way to participate in the education of your child is through donations. Please check with your child's teacher for the items of need for special activities. Some general items used in the classroom are magazines, newspapers, greeting cards, and dress up clothes, hats, paper, books, wrapping paper, ribbons, and many other household items.

We welcome any questions and suggestions. If there are family situations that affect your child, please discuss them with your child's teacher, supervisor, or the Owner. Remember that any information regarding a personal issue is kept confidential and we are glad to help whenever possible.

Role of Families or Other Caregivers: Our General Expectations from you

The relationship between families and School staff is vital to the success of a child's experience. A partnership must be formed the first day, with open communication and understanding that the development and the growth of the child is our top priority.

Families can assist and help ensure a smooth transition by doing the following:

- Sign children in and out at the front desk and then escort them to their designated class.
- Always supervise your children while escorting them inside the School and in the parking area.
- Drive safely through the parking area.
- Have all forms completed promptly?
- Update forms, as needed, when changes occur (i.e., new phone number, address, etc.).
- Keep staff informed of special needs or changes that might affect your child's behavior.
- Notify the School if your child is ill.
- Notify the School if your child will be absent.
- Notify the School if you will be late than usual in picking up your child.
- Provide two changes of clothes marked with your child's name. *This request is for all ages. Our School is not responsible for the lost clothing. Please change clothing seasonally to accommodate the changes in weather and the growth of your child.*
- Children should be dressed properly for the weather and play.
- Do not allow children to bring in toys. (This rule does not include special transition toys such as a blanket or other security to be used at naptime.)
- Participate in the School's special activities.
- Attend scheduled family meetings and conferences.
- Ask questions, make suggestions, or address concerns as they arise.

Parent-Teacher Conferences

Family/teacher conferences may be scheduled any time during the School year at the request of the family or teacher. Arrangements should be made directly with the teacher.

Classroom Experience

Curriculum

Educational priorities are well defined at Kids'R'Kids Learning Academy. Our comprehensive curriculum materials are designed specifically for each stage of development.

The Kids'R'Kids Curriculum establishes a solid foundation for educational growth beginning with a child's first day. Each of our curriculum programs is research-based and includes developmentally appropriate activities.

We continue to educate children through the preschool years and beyond with theme based, academically stimulating, hands-on units. We provide teachers with the curriculum materials they need to create a positive learning environment that will challenge children and move them toward mastering new skills.

Infant through One

Taking care of infants is demanding but rewarding and we recognize that each infant has individual needs. We believe that once a trusting relationship is built, teachers can better assist children in reaching developmental milestones. In a warm, loving atmosphere based on trust and respect, our staff can provide for these needs. In aiding with this transition, our student to teacher ratio is 1 to 4, in attempts to provide each child with the attention they deserve.

- Suite 100 (6weeks to 6 Months): 1 to 4 and 9 up to 2 Teachers
- Suite 150 (6 – 12 Months): 1 to 4 and 9 up to 2 Teachers
- Suite 200 (12 – 18 Months): 1 to 5 and 13 up to 2 Teachers

We recognize that physical separation for baby and the family is always difficult. Our School strives to help families and children experience a calm transition of physical and emotional separation through our safe and loving environment. We encourage families to take the time they need to make this separation as smooth as possible and to let us know how we can support in the process.

Two through Three

Two and three-year old's are naturally curious. Building off this natural curiosity, children are given the opportunity to explore their world safely. Children are encouraged to develop their self-help skills, such as feeding themselves and toilet training. Each child is treated as an individual during this important time as a way to help them develop their independence and self- management skills. The teacher to child ratio in this group is as follows:

- Suite 250 (18 – 24 Months): 1 to 9 and 18 up to 2 Teachers
- Suite 300 (2 – 2.5 Years): 1 to 11 and 22 up to 2 Teachers
- Suite 350 (2.5 – 3 Years): 1 to 11 and 22 up to 2 Teachers
- Suite 400 (3– 3.5 Years): 1 to 15 and 30 up to 2 Teachers
- Suite 450 (3.5 – 4 Years): 1 to 15 and 30 up to 2 Teachers

Four through Five

The concept that children learn best through play is reflected in the environmental design of each classroom. Our environment encourages experimentation and freedom of choice. The atmosphere also encourages independence and the building of self-management skills. In addition, the use of a daily schedule helps children feel secure and independent as they anticipate activities and the opportunity of making choices on an individual basis. The teacher to child ratio in this age group as follows:

- Suite 500 (4 – 5 Years) Private Pre-Kindergarten: 1 to 18 and 30 up to 2 Teachers
- Suite 550 (4 – 5 Years) Private Pre-Kindergarten: 1 to 18 and 30 up to 2 Teachers

Kindergarten through Fifth Grade

Each program is designed to allow for free choice as well as teacher-facilitated activities. Children are encouraged to increase their knowledge, develop as individuals, and expand their social skills. The teacher to child ratio in this room is as follows:

- Suite 600 (5 – 6 Years) Private Kindergarten : 1 to 18 and 30 up to 2 Teachers

Health and Safety

General Safety Statement

All the policies, rules and regulations presented in this handbook are designed to make the time your child spends at our School safe and rewarding. We have taken several steps to promote the safety and protection of your child while in our care. They are as follows:

- All exits and entrances are locked and only accessible by keypad code entry or key.
- Classrooms are surrounded on three sides by tempered glass walls for easy viewing.
- Frequent observations of the classrooms are performed by the administration.
- All common areas of the School can be viewed via the closed-circuit internet camera system which is password protected.

Classroom Safety

Our School is in an area which is free from conditions which are deemed hazardous to the physical and moral welfare of the children. Our School provides equipment and furnishings that are child-sized, sturdy, safe and in good repair. Individual teachers are responsible for the set-up of their classroom. It is part of their daily routine to wash and sanitize toys and furniture and to watch for and eliminate any hazards present in the classroom. Teachers are provided with guidelines as to what equipment and toys should exist in each classroom.

Playground Safety

A safe, age-appropriate outdoor environment is provided for our children. The following rules are enforced for indoor and outdoor play areas: **Unless you have a doctor's note all children are to go outside twice per day.**

- When a class has outdoor time, all children must stay with their class.
- Teachers will supervise the children on the playground at all the times.
- In case of an accident, one teacher may bring a child in for first aid.
- At no time will the class be left on the playground without appropriate supervision.
- The administration and the teachers will inspect the playground daily and report any unsafe conditions immediately

Sick Policies

Our goal is to provide a place where your child can learn, develop, and have fun in a safe and healthy environment. The School is not equipped with the staff or facilities to care for sick children for an extended length of time. We depend on you to assume care for your sick child. The following guidelines for excluding children help us to keep many communicable illnesses out of our facility and thereby maintain regular attendance from many of the children and staff.

A child will be excluded from the classroom and comforted by a member of our administration while the family members are contacted to pick up within two hours in the event of:

- For infants: fever of 100.4 degrees or higher

If your child is absent, please contact us and let us know the reason. We will need this information to prevent the spread of contagious disease in the facility.

Vision and Hearing Screening

In compliance with the special senses and communication Disorders Act, Texas Health and Safety code, Chapter 36, Kids 'R' Kids Requires children to have screening or a professional examination for possible vision and hearing problems. Children who are in first, third, and fifth grade must complete a screening or examination within the school year. Children, who enrolled for the first time, four years of age or older, must be screened within the first 12 days of enrollment.

Infectious or communicable Diseases

If a child or staff member is diagnosed with an infectious or communicable disease, you will be notified by a sign on your child's classroom door. The sign will contain the name of the disease, the date it was diagnosed, and any symptoms that would alert you to the presence of the disease. It is your responsibility to report to the School any infectious or communicable disease for which your child is diagnosed.

The School should be notified by the family if a child or sibling has contracted a communicable disease such as measles, pink eye, strep throat, head lice, hepatitis, meningitis, mononucleosis, or any other communicable diseases. The student with the communicable disease must be cleared by a doctor or nurse before returning to School.

As a school, we have the responsibility to provide a safe and healthy environment for children, parents, employees, and visitors. For this reason, we are applying the guidance from the Center for Disease Control (CDC) and its affiliates, NIOSH, state and local health departments, World Health Organization (WHO), and other agencies and resources as appropriate. With our top priority being the health and safety of our staff and families and the greater community, we have intensified all cleaning and disinfection efforts by routinely cleaning, sanitizing and disinfecting surfaces and objects that are frequently touched, especially toys and games. In addition, you will find that our arrival and drop-off procedures have been adjusted as follows:

• Arrival Drop-off procedures:

- The family will park in the Kiss-n-Go (Curbside) area directly in front of the building. A staff member will greet children outside as they arrive. A tablet (which will be cleaned with sanitizer wipes between families) will also be brought out to the family member to sign the children in.
- Upon arrival, a staff member will conduct a temperature screening using a non-contact thermometer with the child and escort the child to their classroom. A child with a fever of 100.4 F (38.00 C) or above or other signs of illness will not be admitted to the facility. (We encourage parents to be on alert for signs of illness in their children and to keep them home when they are sick).
- Children's hands will be washed upon entry into their classroom.

• Departure Pick-up procedures:

- The family will park in the Kiss-n-Go (Curbside) area directly in front of the building. A staff member will greet the family member outside and bring the tablet for the children) to be signed out. Another staff member will go to the child's classroom to bring the child and any personal items outside to the family.

Medication Policy

- Complete the medication form, available at the front desk and give it to the Directors. This form is good only for one week. Additional forms will need to be filled for following weeks.
- We require that families provide a signed authorization including administration and dosage procedures for each medication to be administered. Any potential adverse reaction to the medication must be listed on the authorization so that the child can be properly monitored, and families notified accordingly. This authorization is required at the beginning of each calendar week.
- We do not permit giving non-prescription, over the counter medication or topical, non-medical ointment, repellent, lotion, cream, or powder without:

- Written authorization from the child's family and written doctor's authorization and instructions stating:
 - The child's full name
 - The name of the medication or the prescription number
 - The amount and frequency of dosage
 - The name of the prescribing physician
 - The date the instructions were signed by the physician
- Over-the-counter medicines must be in their original containers.
- Medicine is administered at 10:00 a.m. and 3:00 p.m. by a member of the administrative staff. If your child is to have medicine at any other time, families must make arrangement, to come by the School and administer the medicine themselves or make other arrangements with the School Management.
- Special circumstances requiring the administration of additional medications must be discussed with the School.
- We will not administer any medication after its expiration date or for non-medicated reasons, such as to induce sleep.
- We will not accept a Medication Authorization Form that states the medication to be given "as needed." Parents must indicate the exact conditions under which the medication should be given.
- Only ONE medication can be listed on each Medication Authorization Form.
- If your child receives an antibiotic from his/her doctor that specifies a 2 times per day dosage, those doses should be administered both before and after School. If the antibiotic should be given 3 times per day, we will gladly include it in our afternoon medications. Please note that antibiotics must be given at home for 24 hours prior to your child returning to School.
- Prescription medication must be in its original container bearing the pharmacist's label.
- All medications must be dropped off and picked up at the front desk, each day. These medications will be stored in a locked secure area inaccessible to the children. Medication may not be transported to the classroom by families. NO MEDICATION MAY BE PLACED IN THE CHILD'S BAG OR TAKEN INTO THE CLASSROOM FOR ANY REASON.
- All medication must be taken home daily to ensure proper family control.

- Exceptions to this rule are life-saving medications such as breathing treatments. Any child needing these types of medications administered will be placed on a “Care Plan” developed by the child’s family, a medical expert, and the School Director. Any “Care Plan” currently in use will remain so until renewal time (at least every 6 months).
- Children are not allowed to bring any type of medication to the School to administer themselves.
- Thank you for adhering to this policy to ensure the health and safety of all children.

Emergency Medical Care

Each child, upon enrollment, must have emergency care information on file. It is the family's responsibility to keep this information current. In the case of a medical emergency, you will be notified immediately.

If warranted, emergency medical personnel will be contacted to provide transportations to the nearest hospital specified on the Health and Emergency Information form. If possible, a member of the School administration or the child's teacher will accompany the child.

Immunizations

The School must have on file the Immunization Records for each child with specific dates recorded. These forms are obtained from a private physician or the local Health Department. The immunizations must include:

- a series of 5 DTAP doses (age appropriate)
- 4 doses of polio (OPV)
- 2 doses of measles, mumps, rubella (MMR) (age appropriate)
- Completed 2-shot hepatitis series
- Varicella shot
- All forms must be dated and signed by a physician before the child's first day of School.

Accident Reports

Staff members may apply simple first aid at the School for minor injuries such as cuts, abrasions, bruises, and insect bites. If any of these occur and first aid is administered, a "Boo-Boo Report" will be completed. This report will state the nature of the injury, the cause, and the treatment. It will be signed by the teacher who completed the report, a member of administration and the family. The School will then log the incident in the child's file. If an accident is caused by or involves another child, that child's name cannot be given out and will not appear on the report. Families will be notified immediately if a child receives any injury other than a minor one.

Reporting Abuse and Neglect

In the event a trained staff member feels a child has been abused or neglected, that staff member has responsibility to report his/her suspicion to the School Administration. At that time, the administration will determine if the suspected abuse or neglect is accurate. If the administration then feels that the suspicion is founded, they will contact social services to begin to a formal investigation. All activity will be documented, including the initial report by the staff member. The staff member may choose to remain anonymous.

All allegations of abuse or neglect will be received by the state agency overseeing childcare as well as Kids'R'Kids International, Inc. The county department of social services will determine if an investigation is needed within the 24 hours of the complaint. Even if the county department of social services determines the allegation does not warrant investigation, the complaint shall be investigated by the state childcare service and Kids'R'Kids International, Inc.

We take our responsibilities to report suspected child abuse, neglect, and abandonment seriously and will cooperate with governmental authorities in connection with their investigations. If you

have any questions regarding the School's mandatory reporting obligations, please consult the Owner.

Reporting of Accidents and Hazards

All accidents, including those which do not involve serious injury, must be reported immediately to the Owner or Director by the staff member. Only through full knowledge of accidents can we strive to maintain a safe and healthy place.

Immediately report any unsafe conditions, defective equipment, or other hazards to the Owner. Children are expected to assist in maintaining safe conditions. Safety is a state of mind and requires constant vigilance and common sense. Safety is everyone's responsibility.

Emergency Procedures

If an emergency develops such as severe weather, fire, physical problems with the building, or power failure, the children's safety is our first concern. Evacuation route diagrams are posted throughout the facility.

The School is equipped with a fire alarm system, a sprinkler system, fire extinguishers in each room, and a weather alert radio.

Fire drills are performed monthly and all staff members are instructed on proper tornado procedures. In the event of a natural disaster such as a hurricane, snowstorm, etc., the families will be notified as soon as possible to pick up their child. If the family cannot be reached, the emergency contact will be called (this person should be local to the School).

Emergency Preparedness Plan

In the event of an actual emergency:

1. The first responsibility of our teachers is to move the children to a designated safe Area.
 - A. In the event of a fire: children will follow fire drill procedures to relocate Outside of the building into the rear playground as quickly as possible.
 - B. In the event of severe weather: children will follow severe weather procedures to relocate to the designated safe areas in the building; the Cafeteria.
2. The emergency evacuation location is:
Harris County ESD No. 48 Fire station No. 5
21201 Morton Rd, Katy TX 77449
281-599-8888
3. Emergency evacuation diagrams are located in each classroom, in the cafeteria, and in the lobby.
4. Children in attendance are kept track of on the "Headcount Form" and classroom roster along with a tablet with Tadpoles carried by each teacher. All teachers are required to have this attendance tracker current at all times.
5. The emergency number that parents and Childcare Licensing may call is 281-398-1740
6. The Person in Charge will be responsible for communicating with local authorities via cell phone and in person staying at KRK until authorized state otherwise.

7. All essential information is kept in our “Emergency Preparedness” binder and will be taken by the Persons in Charge to relocate in an emergency situation.

8. The front desk staff will contact the parents at the emergency evacuation location with their “Emergency Preparedness” Binder. Parents will then be reunited with their children at the emergency evacuation location.

Boo-Boo Room

The Boo-Boo Room is located in the lobby, near the front desk, for any child needing to be removed from the classroom due to illness or a minor injury needing first aid. This room provides a safe, healthy environment for the child while families are contacted.

In the case of sick children, the room is completely sanitized after each use.

Child Conduct

Basic Expectations

Our discipline policy at Kids‘R’Kids is built around our understanding of child development. Our goal is to allow each child to find and develop their own personal self-management skills. As teachers and staff, we offer children with choices, so they feel powerful in their ability to gain self-control. We use positive behavior management techniques such as positive phrasing and “I” statements as ways to further develop self-discipline. In situations where children are having a difficult time managing negative emotions, they may be removed from the over-stimulating environment to a quiet area where a teacher or member of the administrative staff can work one-on-one to resolve the situation. Families will always be informed if a situation such as this has occurred. If a child continues to have a difficult time, a team meeting with the family may be requested. This meeting will consist of the team developing a plan of action to best meet the needs of the child and the family.

Discipline

Praise, positive reinforcement, and redirection are effective methods for the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from the Kids ‘R’ Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids ‘R’ Kids Learning Academy we use a method of ‘redirection’ to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will redirect the child toward appropriate behavior. OH NO reports are given to be signed by the parent, if the child has not shown self-discipline during the day.

“Above all, we shall not harm children. We shall not participate in practices that are disrespectful, degrading, dangerous, exploitative, intimidating, emotionally damaging, or physically harmful to children.” (NAEYC Code of Ethics – Principle-1.1)

Child Behavior

Children will be subject to disciplinary action up to and including immediate dismissal for:

- Abuse or damage of School property
- Bullying/Harassment/Hazing
- Committing a serious breach of conduct inside or outside of the School
- Disrespect
- Disruption of School functions
- Fighting
- Lewd or obscene behavior
- Possession or sale of tobacco, alcohol, drugs, or drug related items
- Possession or use of a weapon, among other things
- Profanity or vulgarity
- Sexual or other misconduct
- Stealing
- Threatening behavior
- Verbal or physical assault
- Violation of School’s “Computer/Network Policy”
- Inappropriate use of the Internet.
- Willful disobedience

Biting

The School understands that occasional displays of aggression, like biting, are typical in young children and are part of normal early childhood development. **Repeated incidents of biting will not be tolerated. Our objective is to ensure that our School maintains the highest level of safety within our environment and our staff members respond appropriately to aggressive behaviors.**

For the child that was bitten:

1. First aid is given to the bite. It is cleaned with soap and water. If the skin is broken, the bite is covered with a bandage.
2. Parents are notified.
3. The "Boo Boo (incident) report at School" form is filled out documenting the incident.

For the child that bit:

1. The teacher will firmly tell the child "NO! DO NOT BITE!"
2. The child will be placed in time out for no longer than the child's age (one year old, one minute).
3. The parents are notified.
4. The "Oh No Form" is filled out documenting the incident.

When Biting Continues:

1. The child will be shadowed to help prevent any biting incidents.
2. The child will be observed by the classroom staff to determine what is causing the child to bite (teething, communication, frustration, etc.) The administrative staff may also observe the child if the classroom staff is unable to determine the cause.
3. The child will be given positive attention and approval for positive behavior.

When biting becomes excessive:

1. If a child inflicts 3 bites in a one week period (5 weekdays) in which the skin of another Child or staff member is broken or bruised or the bite leaves a significant mark, a Conference will be held with the parents to discuss the child's behavior and how the Behavior may be modified.
 2. If the child again inflicts 3 bites in a one week period (5 weekdays) in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, the child will be suspended for 1 business days.
 3. If a child once again inflicts 3 bites in a one week period (5 weekdays) in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, the parents will be asked to make other day care arrangements.
- If a child, who has been through steps 1 and/or 2, goes 3 weeks (15 business days) without biting, we will go back to step one if the child bites again.
- If a child bites twice in a 4 hour period, the child will be required to be picked up from day care for the remainder of the day. This will not count towards the 1 day suspension.

The School requires all families of children under 3 years old to review the guidelines outlining how our staff will handle a biting incident. These guidelines will be presented with enrollment materials.

Harassment, Bullying or Hazing

Our School is dedicated to fostering an environment that promotes kindness, acceptance, and embraces differences among individuals. Therefore, we will not tolerate any type of harassment, bullying or hazing.

Harassment includes, but is not limited to, slurs, jokes, and other verbal, graphic, or offensive conduct relating to race, religion, color, sex, national origin, citizenship, or disability.

Bullying includes, but is not limited to, physical or verbal aggression (hitting, kicking, taunting, name-calling, teasing, threatening, ridiculing, etc.), relational aggression (harming or threatening to harm relationships or acceptance, friendship, or group inclusion), and emotional aggression (teasing, threatening, intimidating others). The School also prohibits cyber-bullying (creating websites, instant messaging, e-mails, text messaging, using camera phones or other forms of technology to engage in harassment or bullying).

Any of these types of offensive conduct can create an uncomfortable learning environment.

All concerns relating to harassment, bullying or hazing should be reported immediately to the Director/Owner. When the School administration becomes aware of harassment, bullying or hazing, the situation will be promptly investigated. Any child found to have violated this policy will be subject to disciplinary action, including immediate dismissal from School. No retaliation or adverse action will be taken against any person who makes a good faith report of harassment, bullying or hazing.

Drugs, Alcohol, Tobacco

Although it should go unstated, children must abstain from the use or possession of alcoholic beverages, illegal drugs, or tobacco products, both on and off School property. If the School becomes aware of a child's involvement in any of the above-mentioned activities, the Owner will determine appropriate action, which may include substance-abuse testing, treatment, suspension, or expulsion.

This policy does not prohibit the proper use of medication under the direction of a physician. However, the misuse or abuse of such drugs is prohibited. Children who are taking prescription or non-prescription drugs which could affect their ability to function in a safe and efficient manner must notify the School of this fact when they report to School.

Consequences: In addition to determining the appropriate disciplinary action pursuant to the School's Discipline Procedures, the School reserves the right to impose additional or different requirements as appropriate for the circumstances in its sole discretion.

Threats/Weapons

The School has a zero-tolerance policy regarding threats and weapons. The possession of dangerous weapons, such as guns and knives, or the display of any item that may be perceived as threatening, whether on or off School property, may be cause for immediate dismissal. Similarly, threats will be addressed as a serious issue. The School will determine the appropriate consequences depending on the circumstances.

Searches

Admission to our School is conditional upon consent to searches by the School. Refusal to comply with a request for permission to search a child's possessions may result in suspension or immediate dismissal of the child.

Behavior Probation

Children who are placed on behavior probation may be required, at the School's discretion, to have their family sign a probationary agreement with the School as a condition of continued enrollment. Failure to comply with the stipulations in the disciplinary probation agreement may result in dismissal.

Family Cooperation

A positive and constructive working relationship between the School and its families is essential to the fulfillment of the School's educational purpose. Thus, the School reserves the right not to extend the privilege of enrollment or re-enrollment to a child if the School reasonably concludes that the actions of the child's family make such a positive and constructive relationship impossible or otherwise seriously interferes with the School's accomplishment of its educational purpose. Moreover, the School reserves the right to expel a child at any time if, in the judgment of the Owner, conduct of anyone directly associated with the child, including but not limited to the child's family, in or out of the School, is not in keeping with the School's accepted standards or principles. There will be no refund of tuition where such enforced withdrawal occurs, and any unpaid balance is payable in full according to the terms of the child's enrollment contract.

Dress Code

All children must be fully dressed and wear closed-toed shoes, no Crocks, or sandals. All items must be labeled. **For our 2 Years to Kindergarten classrooms we require that Monday-Friday all children wear a School designed uniform, with Blue, Khaki color shorts, skirts, or pants is allowed, but must be age appropriate.** Closed-toed shoes are required for all walking children. All girls must wear bike shorts underneath dresses and skirts. In order for us to maintain the highest level of comfort, it is very important for children to wear appropriate clothing to our center. All clothing must be weather appropriate. Shoes need to be comfortable and safe. Please do not send your child to the center in flip-flops, sandals without straps, cleats, crocs or any shoe that does not have proper traction on the bottoms as this poses a safety concern. Please make sure that you bring three or more changes of clothes for your child. We do not provide extra clothing in this center. The clothing needs to be properly labeled with the child's name. It should be weather appropriate. The children will attend outside play daily. Suite 100 through Suite 350 parents need to make sure that you always have a supply of diapers/pull-ups on hand at the center. If you have been told by our staff that you need diapers and run out, you will need to leave work or home and bring your child diapers, as we do not keep extras in our facility and will

Other General Policies and Procedures

Computer Care:

Members of the School community will not abuse, tamper with, or willfully damage any computer equipment, use the computer for other than appropriate work, or bring food or drink into any computer area. Any intentional acts of vandalism will result in discipline and children will be held responsible for replacement or repairs.

Confidentiality

Information pertaining to the children enrolled at the School and the staff employed at the School is considered confidential.

To set up play dates or send party invitations, etc., families often ask for the phone numbers and/or addresses of other children in the School. We will happily pass notes or messages from you, but we cannot release confidential contact information.

Babysitting services.

This School will not be held responsible, for any services provided by any staff member, outside of the School working hours.

Diapering

Children are checked at scheduled intervals throughout the day and changed at the first sign of wetness or soiling. No child is knowingly left in wet or soiled clothing. For children who wear diapers or toilet training pants, each family must provide an ample supply for each day/week. We do not supply these items and families will be notified if a child is running low on supplies.

Field Trips

Classes may plan field trips during the year to acquaint children with community resources and to provide educational experiences that will enhance classroom-learning activities. **A signed participation and release form are mandatory for field trips. A child will be unable to attend a field trip unless a signed field trip form is received from a designated family member or guardian.** Families are encouraged to contact their child's teacher to see if additional chaperones are needed.

Children scheduled to go on a field trip will wear a Kids'R'Kids t-shirt and a bracelet identifying the child as a student of Kids'R'Kids. A child may be checked out from a field trip if the family has signed a release form. This policy is to help the staff keep an accurate count of the children.

Classes will use the School's bus for trips unless another means of transportation is authorized by the Owner.

- Children not attending field trips are required to attend the School unless otherwise advised.
- If there is a financial cost associated with the trip, that financial obligation will be billed to the family account.

All items turned in to the Lost and Found will be held for 30 days. If not claimed, they will be discarded or donated to a charitable organization.

Meals and/or Snacks

Our School will provide a nutritious breakfast and lunch every day along with a snack in the morning and afternoon. At no time is food withheld as punishment.

Children enrolled in our before-and After-School program will be served breakfast and an afternoon snack while in our care. Lunch is also provided if the school-age child is present during lunch time (summer and school holidays, etc.).

- Allergies and Special Diets

A weekly menu is posted in the Kids Café including all food that will be served for snacks and meals. Any special diets for food allergies, not available by the School, must be provided by the family and accompanied with a physician's note. This includes children who prefer water or juice instead of milk during meals. No tuition discount is given for

All younger children are required to have a quiet time following lunch and are encouraged to sleep during this time. Children who are five years of age and older are not expected to nap (unless required under state regulations) but are provided with quiet time. Children who fall asleep will be allowed to sleep until the end of the rest period, as designated by the daily schedule. Children may bring a small item to comfort them and help them rest. The item, including pillows, must be small enough to fit into their school bag.

Personal Belongings

Upon enrollment in our program you should bring the following for your child:

- At least two complete changes of clothing appropriate for the weather with each item labeled with the child's name or initials, including socks and underwear
- A supply of disposable diapers for children who are not yet toilet-trained
- You may bring a lightweight blanket or soft toy for rest time that is labeled with the child's full name.
- Any prepared food for infants or toddlers who are not yet able to eat items listed on the weekly menu
- All children will be outside during the day, weather permitting. Please make sure your child has adequate clothing for outside play. (This includes closed-toe shoes only. No open-toe shoes – flip flops or sandals – will be allowed at School.)
- If your child is too sick to go outside, a physician's note explaining the reason should accompany the child before the exclusion is accepted.

Because of health and safety concerns, pets may not be brought to School without the Owner's advance consent. When picking up or dropping off your child, please keep pets in the vehicle.

Photo Release Policy

Upon enrollment, you will receive a copy of our Photo Release Policy to read and sign. Many pictures will be taken in your child's class and throughout the School during the time that your child is our School. Other families and teachers may take snapshots of parties and special events within the program. If for any reason you do not want your child photographed, please let the Director/Owner know as soon as possible. Also, be sure you make the classroom teachers aware of your wishes.

The School will not be responsible for lost, stolen or damaged valuables.

Special Events

Arrangements should be made with the teachers regarding a birthday or holiday party. If you are bringing a cake or special snacks to the class, they will be served in addition to snack/meals required by the general nutrition policy, and they must be purchased from the store and have an ingredient label. No home-made food will be accepted for School parties due to possible food allergies present in the classroom.

Holiday parties will take place in the classroom throughout the year. Generally, a note is posted to notify families of an upcoming party and many times families are asked to volunteer to bring food or drink. If at any time you object to a party for religious or other reasons, please notify your child's teacher as soon as possible so we can make arrangements to otherwise care for your child during that time. We will assume that all children can participate unless notified to the contrary.

Toilet Training

When you believe that your child is ready to begin toilet training, please discuss this with your child's teacher. We will assist by encouraging your child to visit the toilet between diaper changes. With the first signs of success, we will recommend that you send your child to school in training pants. Because toilet training can result in many soiled clothing items at school, please be sure your child comes to school with several (two to three) changes of clothing. Be sure extra clothes are appropriate to the present season and are labeled with your child's full name. All soiled clothing will be sent home the same day for laundering. The School is prohibited from laundering any child's soiled clothing within the School's laundry.

The School provides many toys for the children's learning centers. Therefore, we request that toys not be brought from home. Please note this does not include special transition objects such as blankets or other security items to which your child is significantly attached.

Transportation

Transportation is provided to and from the school only with parental permission. The Kids'R'Kids transportation forms must be signed once a year. Field trip forms must be signed before each trip.

If we take your child to school in the morning, then we will pick up your child at dismissal time unless otherwise notified. If we do not take your child to school, then we assume that she/he is absent and we will not expect to pick up your child unless it is agreed upon in advance that you will provide morning transportation and we will provide afternoon transportation.

You must notify us each time your child does not need transportation to or from school when we normally provide this service to you. If we are not notified that your child does not need transportation from school to Kids'R'Kids in the afternoon before the bus leaves our facility, a \$15 fee will be charged.

Acknowledgement and Receipt - Discipline and Behavior Management Policy

Praise, positive reinforcement, and redirection are effective methods for the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from the Kids 'R' Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids 'R' Kids Learning Academy we use a method of 'redirection' to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will "redirect" the child toward appropriate behavior.

"Above all, we shall not harm children. We shall not participate in practices that are disrespectful, degrading, dangerous, exploitative, intimidating, emotionally damaging, or physically harmful to children." (NAEYC Code of Ethics – Principle-1.1)

I, the undersigned parent or guardian of _____ (print child's full name), do hereby state that I have read and received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director (or other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.

Date of Child's Enrollment: _____

Signature of Parent or Guardian: _____

Signature of Director (or designated staff member): _____

Distribution: One copy to parent or guardian, signed copy to be kept with child's facility records
