Graduation 🎓

Preschool graduation marks a pivotal milestone in a child's educational journey, celebrating their growth and the foundational skills they've acquired. This event not only signifies an important transition but also sets the stage for the beginning of a new and exciting chapter.

Connection

May the fourth be with you

This particular date has been referred to as Star Wars Day since 2011, after widespread fan use of the phrase: "May the fourth be with you." Of course, the joke riffs on the iconic Star Wars catchphrase "May the force be with you", which characters often say to each other to wish good luck on dangerous missions.

TEACHER OF THE MONTH IS ALL OUR WONDERFUL TEACHERS

Teacher Appreciation WEEK!
May 5th-May 9th

5/6

Bring your teacher flowers!

5/7

Get your teacher a sweet treat!
