Celebrating Dr. Seuss Week with Spirit Days

This week will give our students a fun and meaningful way to celebrate literacy while participating in themed dress-up days that bring their favorite stories to life. We look forward to a week filled with laughter, learning, and school spirit as we celebrate the magic of reading together. Thank you for supporting our Dr. Seuss Spirit Week celebration!

March 2 – Book of Colors Day: Wear red, white, or bright colors.

March 3 – Cat in the Hat Day: Wear your wackiest hat.

March 4 – Fox in Socks Day: Wear your silliest or most colorful socks.

March 5 – Oh, the Places You'll Go! Day: Dress up as what you want to be when you grow up.

March 6 – The Lorax Day: Wear orange or a Lorax mustache.

SPRING SPELLING BEE

We are excited to host our Spring Spelling Bee on March 27 at 3:30 PM! This event is a wonderful opportunity for our students to build confidence, strengthen their vocabulary skills, and showcase all the hard work they have been doing in the classroom.

Students will be practicing their spelling words in class to help them prepare. To provide additional support at home, a study sheet will be available at the front desk for parents to pick up. We encourage families to practice together and help their child feel confident and ready for this exciting event.

We look forward to cheering on all of our participants and celebrating their efforts!

St. Patrick's Day Celebration

We are excited to celebrate St. Patrick's Day on March 17 with a fun and festive Leprechaun Dress-Up Day! Students are invited to wear green or dress up like a leprechaun to join in the celebration.

Throughout the day, children will enjoy themed activities, crafts, and lots of cheerful fun as we learn about this special holiday.

We look forward to seeing all of our little leprechauns spreading luck and smiles around the school!

Spring Break Camp

We are excited to announce our Spring Camp for our School Age students during Spring Break, March 9–13! This week will be filled with fun, engaging activities, hands-on projects, and exciting themed days to keep our students active and entertained.

National Preschool Teacher Appreciation Day

On March 20, we will celebrate National Preschool Teacher Appreciation Day! This special day recognizes the dedication, patience, creativity, and love our preschool teachers pour into their classrooms every single day.

We encourage families to take a moment to shower your child's teacher with appreciation — whether it's a kind note, a small token of gratitude, or simply words of thanks. Your support and recognition mean so much to our teachers and truly brighten their day.

Attendance & Safety Reminder

For the safety and accuracy of our records, we kindly remind all families to sign their child in and out each day. This is an important part of our daily attendance procedures and helps ensure every child is accounted for at all times.

Thank you for helping us maintain a safe and organized environment for all of our students. We truly appreciate your cooperation!

SMART CHOICE. SMARTER CHILD.™

Autism Awareness Week

During Autism Awareness Week, we take time to promote understanding, kindness, and inclusion within our school community. This week helps our students learn the importance of accepting and celebrating differences while showing empathy and respect for everyone.

Through age-appropriate discussions and activities, we will encourage friendship, compassion, and appreciation for the unique strengths that make each person special. ♡

We are excited for our upcoming School Picture Days on March 25 and March 26! This is a wonderful opportunity to capture special memories of your child during this school year.

- MARCH 25: SUITES 100-300 (SIBLING PHOTOS WILL ALSO BE TAKEN ON THIS DAY.)
- MARCH 26: SUITES 350-550

MOVIE DAY: GNOMEO & JULIET

World Theatre Day - March 27th

Theatre encourages creativity, imagination, confidence, and an appreciation for the arts. It allows children to explore characters, emotions, and storytelling while developing important social and language skills.

To kick off the celebration, we will be hosting a special Movie Day on March 24. Students will enjoy watching Gnomeo & Juliet, a fun and family-friendly adaptation inspired by classic theatre. This activity will help introduce children to the world of dramatic storytelling in an age-appropriate and entertaining way.

Practicing Values: COURAGE

This month, we are focusing on the value of Courage. Courage means trying new things, speaking up kindly, and doing what is right—even when it feels challenging or a little scary.

In our classrooms, students will practice courage by participating in activities, sharing their ideas, attempting new skills, and supporting one another. We will encourage children to believe in themselves, take positive risks, and grow through their experiences.

By practicing courage each day, we help build confident learners who are ready to explore, lead, and succeed.

National Doctor's Day

In celebration of National Doctor's Day on March 30, we are excited to welcome a special guest — a doctor friend — who will be visiting our school to speak with the children.

This will be a wonderful opportunity for our students to learn about the important role doctors play in keeping our communities healthy and safe. We look forward to an engaging and educational visit!
