

Splash Day Forms 200-Gym

Your child will be playing at Kids R Kids "Water Park," (from the end of May to the beginning of August) which is located on the back playground. If you would like for your child to participate in Splash Day, please make sure your child is dressed properly. Proper attire when your child is dropped off will consist of swimsuits worn under their clothing and their swim shoes on their feet. Swim shoes must be rubber-soled and must strap close. If you have any questions about your child's swim shoes please bring them to the front desk and we will let you know if they are appropriate. Remember to also bring dry undergarments and shoes. Please apply bug repellent and sunscreen to your child.

You are required to bring in a towel and take it home on the day of the scheduled water activity.

Make sure all items you bring in are labeled with their names on them, including swimsuits, swim shoes, and towel.

If your child does not bring appropriate water shoes, he/she will not be allowed to participate.
