August Highlights

It is hard to believe that it is September already! August was filled with so much fun that it just flew right by. We loved every Water Wednesday, our DIY pizza party, learning about Elvis and having our first day of the new school year. On August 14th we hosted a charity car wash event that raised \$600 for a local family whose 5-year-old little girl was recently diagnosed with cancer. We cannot wait to see what this school year holds for us!

Celebrating our First Year!

We did it! In August we celebrated our first year as Kids R Kids Learning Academy of Mt. Pleasant. We could not have done it without the continued support of the community, our families, and our staff. We wanted to take this opportunity to say a special thank you to our staff members that recently celebrated their first year with us: Ms. Laura our infant lead teacher in Suite 100, Ms. Tristen our toddler teacher in Suite 200, Ms. Sheri our three-year old lead teacher in Suite 450, Ms. Tonya our PreK lead teacher in Suite 500, Ms. Jen our PreK lead teacher in Suite 550 & Ms. Sarah our Curriculum Coordinator. These ladies have stuck with us through the growing pain of a new school and have done it with an open heart, lots of flexibility and a willingness to continuously go above and beyond the call of duty. There are not words that we can use to express our gratitude.

Teacher of the Month

We are delighted to announce that the teacher of the month for September is Ms. Rachel! Rachel recently took on a lead teacher roll in Suite 400 after spending most of the year working with Ms. Tonya in Suite 500. Rachel is originally from Rochester, NY and has been living in the Charleston area for about two years. Rachel strives to create a classroom that feels safe and nurturing and ideal place for children to grow and learn in. In her time here at Kids R Kids Rachel has proved time and time again that she is committed to creating trusting relationships with the children in her class. With her kind heart, active listening, and an apparent passion for the work that she does here at Kids R Kids.

Eat Your Fruits & Veggies!

Through the week of September 21st, we will be celebrating P.A.C.K. (Pack Assorted Colors for Kids!) Week with the help of Chef Jennifer. Each day of the week is dedicated to a different color(s), and on that day we will feature those colored fruits and veggies within our menu. For example, Monday features purple & blue, and our menu may feature yogurt with fresh blueberries and blackberries or roasted purple potatoes. The curriculum in our classroom will also focus on fruits & veggies, picky eating and trying new foods.

SAY CHEESE!

Smile! On September 15th & 16th we will be hosting our Fall Picture Days and will be welcoming Kate McKinley of Kate McKinley Photography as our photographer. She has worked with other schools here in the Mt. Pleasant area and in addition to that does family and wedding photography! We will send out more information to you about the packages and what day your child's sessions will be as the day approaches.
