

# WEEKLY THEMES

## Big Game Quest. June 10th-14th

Campers will learn America's favorite pastime, baseball. They will participate in the KRK World Series. Campers will also explore the French game of tennis. They will construct their own rackets and experiment with different types of balls. During the week, campers will also host the KRK Open.

- Summer Kick Off Party
- Field Day

## International Quest. June 17th-21st\*\*

Campers will begin by exploring the seven continents of the world. They will construct iconic buildings, virtually visit well-known landmarks, and even spend some time sampling different cuisines.

- Kona Ice
- Interactive Food Projects

## Jurassic Quest. June 24th-28th

Campers will explore the prehistoric land of the dinosaurs. They will uncover fossils, discover and name their own dinosaur, and even make a paper mache Tyrannosaurus rex.

- Jurassic Jr.
- Aquarium

## Pop Culture Quest. July 1st-5th\*\*

Campers will learn the most popular dances from the 80's, 90's, and 2000's. They will showcase their talents in short reels filmed and edited by each other. Campers will explore the world of popular art. They will create a piece of mixed media influenced by top pop icons.

- Nailed It!
- Tech Day

## Lunar Quest. July 8th-12th

Campers will take flight at the speed of light to build the first ever civilization on the moon. They will experiment with erupting ice volcanoes and make magma sculptures. Campers will also explore the interstellar system and name a constellation.

- Cosmic Capers
- Homemade Rocketships

## Couture Quest. July 15th-19th

Campers will explore fashion in popular society and design their own look book for the upcoming fall season. Campers will create their own fashion brand and film or photograph a marketing campaign. They will make a one-of-a-kind necklace inspired by one of the first French high jewelry houses and their own shoe line to model in an exclusive fashion show.

- Theater Lesson
- Fashion Show

## Coastal Quest. July 22nd-26th

Campers will build a boat out of recycled materials and learn to navigate using a homemade compass. They will visit the shores of Rio de Janeiro, Port Lincoln, Reine, and Bermuda. Campers will adopt an endangered species, make edible fish food, and learn to communicate like a dolphin.

- Aquarium Visit
- Build a boat presentation

## Cinematic Quest. July 29th-August 2nd

Campers will discover the components necessary to make a short film. They will learn about set making, composition, and script writing. They will have a chance to write, film, and star in a commercial for Kids 'R' Kids based on the teachings of Kids 'R' Kind.

- Bounce Obstacle Course
- Make your own movie

## Illusion Quest. August 5th-7th\*\*

Campers will test their sleight of hand during this magical week. They will learn to make water disappear, levitate a playing card, and make gravity-resistant glass. Campers will go on a "tour" to host a spectacular show for their school.

- Magnet Makers
- Kona Ice
