APRIL HAPPENINGS

AUTISM

Autism Awareness Day

On April 2, we recognize World Autism Awareness Day, a time to celebrate and support individuals with autism around the world. This day reminds us of the importance of fostering understanding, acceptance, and inclusion for all.

At our school, we are committed to creating a nurturing environment where every child feels valued and supported. We celebrate the unique strengths, perspectives, and abilities that each child brings to our community.

We encourage our families to join us in spreading kindness, promoting awareness, and embracing differences—not just today, but every day.
