COMING UP IN JULY

First Day of Summer Camp Vibe - June 29

Summer Camp Is in Full Swing!

We're excited for an unforgettable summer at Kids 'R' Kids North Brunswick! Our campers have a fun-filled season ahead with exciting field trips, engaging activities, special themed days, and amazing in-house experiences featuring vendors who will be visiting our school. There's something exciting planned every week, and we can't wait to make lasting memories with all of our campers!

If you know a family who is still looking for summer camp, there's still time to join the fun! Have them reach out to us at info@kidsrkidsnorthbrunswick.com or call 732-902-1414 to schedule a tour and learn more about our exciting summer program. We look forward to welcoming new campers to an incredible summer adventure!
