

# November's Family Connection

Happy November! We hope that you are having a wonderful Fall season. Here at the school we have been enjoying all that the season has to offer. Many of our classrooms have been using leaves, pinecones, pumpkins, etc for sensory and art projects. There have also been numerous baking projects with fall related ingredients. The children love it.

Special thanks to our wonderful teachers and volunteers who helped make our annual Fall Festival a fun and successful one. We had an amazing turnout despite the weather. Thank you again parents, for allowing your children to enjoy Halloween in a safe environment. We hope you all had a wonderful time. We know we did.

We would like to invite you to our annual Thanksgiving Feast on November 16<sup>th</sup>, during your child's lunch time. We will be serving a full Thanksgiving meal and would love for moms and dads to come and enjoy lunch with your child(ren). We hope to see you there.

Reminder to all parents: as the days are getting cooler, please be sure that your child has weather appropriate clothing to be able to play outside and make sure they are labeled with your child's name.

Congratulations to Ms Sayeda, our November's teacher of the month.

HAPPY THANKSGIVING
