

October's Family Connection

Parent's Corner:

With a new school year well underway, October is sure a busy and exciting time here at Kids R Kids. Your children have adjusted well to their new teachers, friends, and routine during September. You have done a terrific job of reassuring your children that you will return to reunite with them as soon as class is over. The children appear to feel secured and free to explore their new classroom, make new friends and develop new skills. Thank you so much for all of your help and support. You are the best!

As many of you may have noticed, we have been working hard to update and improve our menu. Our new menu is now available online, in the classrooms, and at the front desk should you require one. We have added many different types of fresh fruits and vegetables; berries, melons, grapes, cucumber. Please update front desk of any known allergies. Making healthy choices to better serve our children is a collective effort of all those involved. A big shout out to Mr. Paul and Ms. Razan for all the delicious fresh meals they prepare for us. Yummy tummy.

On October 31st the children will be having their Fall Festival after school hours. Activities will begin around 7:00 pm and end at approximately 8:30 pm. The children will be able to dress up in their favorite costumes and participate in many festivities. Please keep the costumes friendly and not scary, as lots of very little children will also be attending. We will need parents to help with the festival to supervise some games set up for you in the rooms, please contact the front desk if you can help on October 31st.. Please make plans to attend, families and friends of Kids R Kids' families are welcome as well.

Lastly, it is with great pride and joy we'd like to share with you that all our well-prepared children whom we sent off to "Big Schools" are excelling in first grade. Bravo!
