

January's Family Connection

Parent's Corner:

Dear Parents,

Welcome to 2019, it will be a year of amazing wonder and magical growth for our little stars. We believe that communication is the key to your child's success and to a great parent/teacher relationship. We encourage you to contact your child's teacher/administrative personnel should you have any questions or concerns at any time. We are here for you and your children. Working together we can achieve great things.

We hope those who attended our Winter Recital enjoyed it as much as the staff and children enjoyed putting it on. We had a large group attend which was a delight to the children. Thank you for your participation.

Photos of all events are available on our Kids R Kids of North Sugar Land Facebook, albums are named accordingly.

Reminder: the driveway is not a parking lot, please refrain from parking on our driveway. It is a busy area where our children, parents, and teachers cross to get to their cars in the parking lot. For their safety, please do not park or drive through when the cones are placed. In the event of severe weather and heavy rain we will move the cones aside, which is an indication that you may park and quickly pick up/drop off your child. Thank you for putting our children's safety first.

Thank you again for being a part of Kids R Kids family. We look forward to 2019 with many new adventures, great progress, and wonderful parent-teacher relationship.
