

March's Family Connection

Parent's Corner:

Happy Spring, families! Time is flying so fast that we have finished up February and are now in March. The children will have fun this month celebrating Dr. Seuss birthday. Although Spring is around the corner, the days are still rather cold and more people are getting sick. If your child is sick we ask that you keep them at home and notify the school so we can take necessary steps in making sure the school continues to be germ free. Also, parents if you give your child medications, we ask that you keep your child home so that they are able to recover.

Your child's teacher plays an important role in your child's life and it is imperative to have good communication so that you can both attend to your child's individual needs. There are many ways you can communicate with your child's teacher to learn about her/his day. Beginning and end of day conversation, emails, parent-teacher conference to name a few. Please do not hesitate to reach out.

Our former check in/out software is no longer available to us. We have switched to ProCare, an updated version of what we used before. Please register your child(ren) in the new system so that their attendance record remains accurate.

Reminder: Tuition is due on Friday for the following week, or Monday of the week in attendance.

*Kids, you'll move mountains!
You're off to great places,
Today is YOUR day!
So ... get on your way!
-Dr Seuss*
