

January's Family Connection

Parent's Corner:

Welcome to 2020, it will be a year of amazing wonder and magical growth for our little stars. We believe that communication is the key to your child's success and to a great parent/teacher relationship. We encourage you to contact your child's teacher/administrative personnel should you have any questions or concerns at any time. We are here for you and your children. Great achievement can only be realized by working together as partners in the development and growth of our children.

We hope those who attended our Winter Recital enjoyed it as much as the teachers and children enjoyed putting it on. Your presence and support are greatly appreciated. Thank you for staying back to meet and greet our teachers, your appreciation for our hard work means the world to all of us.

Our Winter Wonderland themed week was a new event that we put together this year. Seeing that the children had so much fun participating the entire week, we will try to add Winter Wonderland to our annual December events going forward. Thank you so much to all our teachers for their brilliant ideas and effort. There is nothing more rewarding than witnessing big, bright smiles on the kiddos' faces.

As promised, Santa made his visit, along with his elf and snowman. If you missed them, check out our Facebook page for photos taken that day.

**Happy
New Year!**
