Dear KRK families,

November flew by so quick, and the new year is approaching. Thank you to all who joined us for our Thanksgiving dinner.

We hope you're ready to embark on a month filled with winter wonders and holiday cheers. In our classrooms, December is not just about festivities, it's also about embracing the joy of learning in the midst of twinkling lights. Let's take this opportunity to celebrate our achievements, big and small, and to extend kindness and generosity to those around us.

## SANTA'S WORKSHOP WINTER RECITAL

We're excited to invite you to join us for some holiday fun on Friday, December 13, from 10 to 11am. Enjoy making sweet and tasty treats with your little ones.

Parents of Starfish (older 2s) to Kindergarten (5s) - our annual Winter Recital is on Thursday, December 19, at 10am. Our students have been practicing all month long for the program and they can't wait to perform their masterpieces for you. We hope to see you there.
