Dear Parents,

I wanted to send out a reminder about our Emergency Weather procedures. We make these decisions while carefully considering the safety of our families and staff. **If we have to make any changes to our operating hours we will do so by sending a message out via Procure and we will post on WYFF News Channel 4. After the message and posting we will begin calling our families one by one just in case the message was not received. We do not follow Greenville or Spartanburg county schools closings or delays.** *Should we need to seek shelter inside our building for a Tornado Warning NO Pickup is allowed until the warning is lifted.* Again, the safety of our families and staff is very important to us and we carefully consider this when making our decision. As always if you have any questions or concerns please don't hesitate to give us a call.

Thank you again,  
Kori Knisely  
Director
