Winnie the Pooh Day

Winnie the Pooh Day is on Thursday, January 18th. For this day we would love for parents to come in and read Winnie the Pooh books to the kids from 10am-11am. If this is something you would be available to do, please send us a message via ProCare. Thank you!

Chocolate Cake Day	27 th
Fun at Work Day	28 th
National Puzzle Day	29 th
Backward Day	31 st

How Matters

In our world, at this moment, caring well matters. With so many complex circumstances affecting and disrupting our daily lives and the lives of the families and children we serve, it's easy to feel overwhelmed and unable to show up for one another. As a result, our HOW MATTERS campaign was created to spread this message at a moment when so many need to hear it. It values the voice of every person- big and small.

- For our staff, HOW MATTERS because we find value in doing rewarding work that is not only needed but impactful. This campaign reflects our deep focus on the care we provide in a growth-oriented environment, hoping that it resonates well into the future in our students' personal lives and professional endeavors.
- For our families, HOW MATTERS because their children are at the heart of our care. We know that children learn more from what we do than what we say; so how we speak, show, play and teach matters. Every action we take plays a role in shaping who their child will grow up to be.
- For the children, HOW MATTERS because they will never forget how we make them feel. Hugs, fist bumps, and high fives. Looks, tones, and reactions. Everything adds up for little ones who are constantly putting their world together. How we care for them matters because it's shaping who they will become.
- For the public, HOW MATTERS because the way a company conducts itself reveals what it believes. If we are committed to creating safe, equitable, and enriching spaces, how we do that will create our difference. We believe this difference has the potential to become an example for others seeking to create a more inclusive world.

"Share the Love"

The best way for families to learn about our Academy is to hear from our current families. Throughout the months of January and February we want to encourage our families to "Share the Love"!

Any family who writes an honest Google and/or Facebook review, their child(ren) will receive a stuffed bear to take home. That family will also be entered into drawing to receive one free week of tuition! (Families with multiple children will receive oldest child's tuition free if chosen)

This event will run until Valentine's Day, when we will do our drawing. Bears are scheduled to arrive towards the end of January.

Please reach out to Mr. Mike if you have any questions.

Teacher Spotlight Ms. Kim

1. Why did you get into childcare?

I've always loved working with kids but stopped babysitting in high school to work in the medical field. After seven years I figured it was time for a change and wanted to pursue my love for childcare.

2. What is the most exciting part of your job?

The most exciting part is watching the babies grow and learn how the world around them works.

3. What do you love about working at KRK?

I love my coworkers. I haven't been here for very long but felt so welcomed by everyone, especially my co-teacher.

4. What is your favorite hobby?

I have a lot of different hobbies, but gaming is my favorite right now.

5. What is something unique about you?

The most unique thing about me is my hair color which changes frequently.
