FAMILY FEST

We're excited to announce that we will be participating in the Hood Magazine Family Fest for the third year in a row!

Join us on Saturday, May 30th, from 9:00 AM to 2:00 PM as we kick off summer with a day full of family fun. Enjoy a variety of activities, including carnival games, a dunk tank, a food truck, and more. It's a great opportunity to come out, celebrate the start of summer, and connect with our community.

We will also be offering tours of our facility throughout the event for families who are interested in learning more about our program.

We can't wait to see you there!

MATCHA WITH MOM

We are so excited to celebrate our wonderful moms and maternal figures with Matcha with Mom on Friday, May 8th, from 7:00 AM to 9:00 AM!

This special Mother's Day event will be a sweet time to slow down, share smiles, and make special memories with your child before the day begins. We are so thankful for the love, comfort, encouragement, and care that you pour into your children each day, and we look forward to celebrating the incredible role you play in their lives.

We hope you will join us for this fun, meaningful, and heartfelt morning as we honor the amazing moms and maternal figures in our school community!

EVENTS

No School SFSD/ HSD 04/03

Easter Egg Hunt 04/03

No School SFSD/ HSD 04/06

Week of the Young Child - NAEYC 4/12-4/17

SCHOOL CLOSURES

We will be closed Friday, April 17th 2026 for School Conferences and Our School Prom!

PRE-K GRADUATION

It is hard to believe that our Pre-K graduation is almost here. We are so excited to invite our families to join us as we celebrate this very special milestone in our students' lives.

Please join us on Friday, May 29th, at 11:30 AM for our Pre-K graduation ceremony, with lunch to follow. This will be a meaningful time to reflect on how much the children have grown over the past year and to celebrate all of the hard work they have put in along the way. We are so proud not only of all they have learned academically, but also of the incredible social and emotional growth they have shown. Over the past year, they have built friendships, gained confidence, learned independence, and grown into kind, capable, and ready learners.

This is such a special season, and we would be honored to celebrate it with you. Thank you for allowing us to be a part of your child's journey. We look forward to sharing this memorable day together.

KIDS-R-KIDS SUMMER CAMP “CAMP VIBE”

Get ready for a summer full of creativity, confidence, and fun at Camp Vibe! Our 2026 Summer Camp runs May 26 – August 27, and each week campers will explore new ways to express themselves through art, story writing, acting, cooking and more. From creating masterpieces and inventing characters to bringing stories to life on “stage” and trying kid-friendly recipes, Camp Vibe is all about discovering interests, building skills, and making memories with friends.

What's your vibe? We'll find out together!

TEACHER

SPOTLIGHT

MS. BECKY

Ms. Becky is one of our wonderful Suite 500 teachers and such a valued part of our academy! Her journey into childcare may have happened by accident, but 16 years later, she wouldn't change it for the world.

One of the most exciting parts of her job is working alongside amazing co-teachers and getting to know each child as an individual. She loves watching their personalities bloom and seeing them discover who they are, what they can do, and what they will one day bring to the world.

Ms. Becky also loves working with our leadership team and building relationships with the families of her students. To her, our academy truly feels like one big family, and she loves being a part of it.

Outside of work, Ms. Becky enjoys camping, spending time with her granddaughter, and caring for her two youngest babies, her corgis, Tank and Lucy, they just had their first birthday!

Something unique about Ms. Becky is her constant positivity and her ability to create an environment that is both fun and clean. If there is one thing she hopes to pass on, it is a strong foundation for learning and life skills, while making sure that laughter, learning, and play are always a part of each day.

CLASSROOM OF THE MONTH

We are excited to recognize Suite 400 as our Classroom of the Month! As the first of four classes in our preschool program, Suite 400 is where so much growth, discovery, and confidence-building begins. From hands-on learning to new friendships and daily adventures, this classroom is an important part of helping our preschoolers thrive, and we are proud to celebrate them this month.

Ms. Rachel loves dancing with the children and says one of her favorite parts of Early Childhood Education is the collection of silly stories and funny phrases she hears each day—the little things children say without realizing how much they warm a teacher’s heart. She began babysitting at a young age and has always loved being a mentor, and nearly 10 years later, working with children still has her heart. She especially loves celebrating Halloween with her class through crafts and Monster Mash dances, and she hopes to teach children that love is everywhere, kindness is always free, and we should all strive to be helpers.

Meet Ms. Morgan! She loves spending time with the children through arts and crafts and dancing together. One of her favorite parts of working in early childhood education is watching the children grow more confident in themselves over time. Christmas is her favorite holiday to celebrate in the classroom because of all the joy it brings. Ms. Morgan has always loved being part of children’s lives and is passionate about making a positive difference each and every day. Being a mom is her greatest accomplishment and she is so incredibly proud of her daughter Aries.

Ms. Violet loves doing arts and crafts with the children and has always known that working in Early Childhood Education is her life’s calling. Her favorite part of the job is building strong connections with the children as they get to know her, recognize her, and feel her love for them each day. She especially enjoys celebrating Christmas and Valentine’s Day with her class and hopes to pass on the importance of kindness, compassion, and respect, believing that everyone deserves to be treated with care. She also loves being part of a teaching team that supports one another, respects each other’s decisions, and is always willing to lend a helping hand.
