Keeping Our Kids 'R' Kids Family Safe

Although it's the start of a new school year, things are a little different.

-Business hours are adjusting as of August 10th, new hours will be

6:30am -7pm.

- We are continuing the health screening drop off process. Now instead of us coming to the car, you will park and walk your child to the designated social distance screening spots located by the door.

Just a reminder, please make sure you are keeping your children home if they are sick. Especially in these times, we need to make sure we take extra precautions to keep everyone healthy and safe.
