# Connection

Newsletter

- **Autism Awareness Month**

Autism Awareness Month, celebrated in April, aims to enhance understanding and foster awareness about Autism Spectrum Disorder (ASD), a developmental condition marked by difficulties in social interaction, repetitive behaviors, and challenges in verbal and nonverbal communication. To signify our collective support and spread awareness, we are inviting all staff and students to participate in a special observance on April 2nd by wearing the color blue. This gesture is a powerful visual symbol of our solidarity and commitment to recognizing the experiences and challenges faced by individuals with autism.

- Spring Picture Day is April 9th starting at 7:00am
- Administrative Professionals Day is Wednesday April 24th

- **Earth Day is April 24.** Earth Day, observed on April 22nd, presents a unique opportunity for our community to engage directly with environmental stewardship through the creation of a community garden. This initiative not only beautifies our surroundings but also serves as a hands-on educational tool for sustainable practices and the importance of local ecosystems. We warmly invite parents, staff, and community members to join us in this enriching endeavor on April 23th, as we come together to cultivate a greener, more sustainable future.

Secure your spot for an adventure of a lifetime with our Early Bird Summer Camp registration, running from April 1st to April 19th! To take advantage of our Early Bird rates, the registration fee must be paid upon signing up. Once your registration is complete, you're officially on board for the Galactic Quest! Don't miss out on our Summer Camp Orientation, happening May 1st via Zoom, where we'll prepare you for the exciting journey.
