The School Year Has Begun

Summer is winding down, and that means it's time to get ready for an exciting new school year! We have a fantastic lineup of events and activities planned, and we can't wait to share them with your child.

Coming Up: National Book Lovers Day – Thursday, August 8th

We're kicking things off by celebrating National Book Lovers Day!

Each child is invited to bring their favorite book to school and share it with the class. It's a fun and inspiring way to spark imagination and foster a love for reading.

Let's make this school year the best one yet!
