

Kids 'R' Kids Learning Academy is the SMART CHOICE for Your Child

With more than 30 years as a leader in early care and education, Kids 'R' Kids Learning Academies all across the globe are proud of our outstanding reputation as being the "smart choice" for countless families. Taking a tour of your local Academy is the very best way for you to witness first hand all of the things that set us apart from other early education providers, including:

- ✓ Owner involvement and a highly trained teaching staff
- ✓ AdvancED™ Accreditation
- ✓ Leading edge facilities that boast interactive technology and secure Internet classroom monitoring for families
- ✓ Regular assessments to track your child's educational progress
- ✓ Daily communications to share your child's activities, accomplishments, photos, and more

Curriculum *Exclusive* for Kids 'R' Kids Learning Academies:

- ✓ A solid educational foundation through our First Class™ core curriculum
- ✓ Ground-breaking supplemental Brain Waves™ curriculum. Research indicates that the first five years are among the most crucial with regard to brain development!
- ✓ STEAM AHEAD™ project-based curriculum to incorporate more science, technology, engineering, art, and math into students' everyday learning through play

SMART CHOICE. SMARTER CHILD.
