GRANDPARENT'S DAY 2025

ARCHITECTURAL ADVENTURES WITH MS. LAUREN

Every year, Ms. Lauren morphs her classroom into a vibrant world of mini-architects, delving into the wild and wonderful realm of architecture! The kiddos set sail on the enchanting adventure of "Boxitex," where their imaginations run wild, crafting castles, snug homes, secret forts, mysterious lairs, and winding tunnels—all from trusty cardboard boxes! Remember the sheer thrill of building with boxes as a kid?!

Thank you to all the wonderful grandparents who joined us for tea and Bingo! We truly appreciate each and every one of you!
