Employee Of The Month

Huge shoutout to Ms. Sharon, our Employee of the Month! In just 8 months, she has made an incredible impression on everyone here. As both our loving infant teacher and our dependable school bus driver, she goes above and beyond every single day. Her spark and bright personality light up the classroom, the bus, and our entire school community. Our kids, babies, families, and coworkers all adore her, and it's easy to see why! Outside of work, Ms. Sharon enjoys spending time outdoors, trying new things, and traveling as she embraces and enjoys her retirement adventures.

Thank you, Ms. Sharon, for your dedication, warmth, and the joy you bring to us all. We're so lucky to have you!
