Kids R Kids of Shadow Creek Ranch

Biting Policy

We all understand and accept that when toddlers are in groups, biting is unfortunately not unexpected. We know and accept that toddlers bite for many different reasons, however, we believe that biting is never the right thing to do. Our goal is to help children who are bitten feel better by giving them care, support, and advice on handling themselves in a threatening situation. As well as teach the children who bite more appropriate behaviors. The safety of the children at Kids R Kids of Shadow Creek Ranch is our primary concern. We understand that our caregiving environment and practices can influence biting, and we take responsibility for ensuring they are appropriate for toddlers. Our biting policy addresses the actions the staff will take if a biting incident occurs and the consequences if the issue is not resolved.

The following steps will be taken if a biting incident occurs at Kids R Kids of Shadow Creek Ranch

- The biting will be interrupted with a firm, "No...we don't bite people!"
- Staff will stay calm and will not overreact.
- The bitten child will be comforted.
- Staff will remove the biter from the situation. The biter will be given something to do that is satisfying.
- The wound will be assessed by the teacher and cleansed with soap and water.
- The child who bit will be spoken to on their level in a loving, but firm manner. We will explain that, "You cannot bite your friends because it hurts them. We do not hurt our friends."
- The parents of both children will be notified of the biting incident. Appropriate forms will be filled out (Incident Report).

When your child has bitten another:

Classroom staff will work together with parents and try to reach the cause as to deter future biting – charting location, who was involved, time, other behaviors, staff present, and circumstances. Staff will "shadow" children who

indicate a tendency to bite, to head off biting situations and reinforce appropriate behavior.

1. You will be notified of the biting incident and will be expected to begin your own research and assist us in training your child to use appropriate behavior.
2. After second biting incident, the Director will meet with parents to go over a written behavior improvement plan and offer resources for assistance. They will discuss our biting policy and prepare them for the possibility of dismissal. We will work closely with the child, in hopes to guide them quickly past the stage.
3. After multiple biting incidents, (3 or more) the student may be unenrolled from our program if deemed in the best interest of the child, Kids R Kids, and the other children. Re-enrollment for the child into Kids R Kids of Shadow Creek Ranch may be considered six months after the termination.

New Family Orientation Policy

A New Family Orientation benefits both guardians and students by providing with a structured introduction to our school, allowing families to learn about campus facilities, academic programs, student life resources, meet classmates, and feel more comfortable navigating their new environment before the start of classes, ultimately aiding in a smoother transition and fostering a sense of belonging. For this purpose, Kids R Kids 42 TX requires at least one of the legal guardians to attend a mandatory orientation before starting.

We understand that situation happens. Therefore, we allow **up to three times** rescheduling requests for any rational reasons. Any family who fails to attend the orientation after three-time rescheduling may result in immediate termination of service.

Our mission is to provide the ultimate care and education to every family.

We appreciate all your cooperation and understanding.
