Both of our boys, Bryce and Brayden, have grown so much since being enrolled at KRK, and their development has only been enhanced by having the support of some great teachers along the way. With that said, we'd like to give a special shoutout Ms. Shivani and Mr. D!! You both have played integral roles in our boys growth at KRK and we can't thank you enough for the continued support you provide daily! You are both greatly appreciated!

-- Steve Johnson, III

We would like to give a big shoutout to the entire leadership and camp team (Mr. DeRon, Ms. Stephanie, Ms. Alexis, Ms. Angela, and Ms. Shivani) for an amazing summer! Our oldest daughter Sienna (6) has attended KRK since she was an infant and always looks forward to returning on school breaks. This summer, she thoroughly enjoyed the field trips, various activities, and especially performing in the talent show! We appreciated the constant communication and all the hard work that went into creating a well-organized, exciting, and engaging camp program for the kids!

The Smith Family

Ms. Shukla is the best, Sam loves her so much, and will miss her when she comes back to her new classroom. We love Ms. Shukla!!

Shout out to our favorite ms. Kysha. My girls love her and cannot stop talking about her. Thanks for fixing their hair and making them look pretty when I pick them up in the afternoon. We are sad that she won't be their teacher this school year.
