Bus Etiquette

Bus transportation is something that Kids 'R' Kids Learning Academy takes very seriously. We spend a lot of time training and preparing our teachers to be knowledgeable in all safety guidelines and take proper precautions. It is important to review the following rules with your child. Make sure that they understand that their behavior directly affects the safety of everyone on the bus

1. All students must wear their seat belts properly for the entire duration of the bus ride.
2. Students may speak quietly with friends but should refrain from making loud noises that could distract the driver.
3. Students must listen to all KRK staff and follow directions at all times.

Violation of these rules may result in the suspension of bus privileges.

Compassion

All students and staff are different and special in their own unique way. We encourage students to be respectful and mindful of others and how their actions and words impact other students. At Kids 'R' Kids Learning Academy, we strive to make sure that all students are celebrated and appreciated in an environment where Kids 'R' Kids care. Please review the following expectations with your child:

1. Students will use kind words toward one another and towards staff.
2. Students will celebrate both similarities and differences .
3. Students will strive to interact with compassion and empathy.
4. Students will keep their hands & feet to themselves.

Violation of these rules may result in the loss of field trip privileges.
