LEAD PRE-K TEACHER MS. SRAVYA

Hi! My name is Sravya. I hold a B.Tech in Electronics & Communication Engineering, but my true passion has always been teaching and working with children. I am a proud wife and mother of two wonderful kids, who keep me busy with their curiosity and energy. I have been with Kids 'R' Kids since 2021 and have had the pleasure of teaching various age groups, from toddlers to Pre-K. Watching children grow, explore, and express themselves is one of the most fulfilling parts of my job. Outside the classroom, I enjoy cooking, gardening, crafting, and decorating. I love incorporating creativity into everything I do and sharing that enthusiasm with the children. I earned my CDA credentials in August 2024 and am excited for a fun and engaging school year with your little ones. I firmly believe that education is one of the most powerful ways to change the world, and I look forward to helping your children grow and thrive.

TEACHER SPOTLIGHT OF THE MONTH:

MS. SRAVYA!

This month, we're celebrating Ms. Sravya for the care and dedication she brings to our school each day. She works hard, is always willing to lend a helping hand, and helps make her classroom a warm, welcoming place for children to learn and grow. Our students and families love her, and we're grateful to have her on our team. Congratulations, Ms. Sravya! ❤️
