

# Employee of the Month September 2023 Candice Crane

**We would like to recognize Ms. Candice Crane as our  
September Employee of the Month!**

**Let's learn about Ms. Candie:**

Ms. Candie grew up in Carlisle, Ohio, and currently resides in Franklin, Ohio with her niece and nephew.

Although Ms. Candie left Ohio for a little while to pursue her dreams, she has been with Kids 'R' Kids since 2011! She took a break from teaching and moved to Florida where she attended college to become a certified Harley Davidson mechanic. After graduating from college in Florida, she moved to Indiana to be closer to her family, while also working for a dealership.

After hearing the news that her family needed some extra support, she moved back to Ohio to care for her niece and nephew. She couldn't be happier with her little growing family!

Ms. Candie loves to witness the children at Kids 'R' Kids grow and learn every day! Ms. Candie floats around to every classroom at Kids 'R' Kids but can often be found helping in both Infant rooms, as she has an immense love for babies!

Ms. Candie's bubbly attitude is contagious. She loves to tell jokes, and in her spare time, she enjoys sending her co-workers funny videos she finds on the internet. She loves to make people laugh.

We have been so thankful to have Candie as part of our Kids 'R' Kids Family!

**Congratulations to Ms. Candie!**
