Committed to daily improvement in communication, knowledge, performance, and positive attitude. Owning our roles to promote a winning environment. Committed to making the best decision for our families and our team.

Kids’R’Kids History

After twenty-four years of operating Kiddie City, a highly successful childcare and kindergarten program located near Atlanta, Georgia, Pat and Janice Vinson decided to build a preschool from the ground up. They sold their business and moved closer to the city where they designed, built, and opened the very first Kids’R’Kids in May of 1985. With a growing need for quality care and the overwhelming success of their first school, another Kids’R’Kids opened fourteen months later, and yet another two years after that.

Business was booming but it was also becoming complicated to stay on site in three different locations; therefore, the concept of franchising came into practice. Kids‘R’Kids International, Incorporated was then formed and Pat and Janice Vinson sold their first franchise in the fall of 1988, Kids’R’Kids #4 Georgia. Kids’R’Kids International, Incorporated has since blossomed into a nationwide corporation serving owners and their businesses throughout the United States.

The Purpose of this Handbook

This handbook was developed to answer many of the commonly asked questions that children and families may have during the school year. The handbook contains information about child privileges and responsibilities. Therefore, families and children are responsible for knowing its contents. Please take the time to become familiar with the handbook and keep it accessible for your use. It can be a valuable reference during the school year and a means to avoid confusion and misunderstandings when questions arise.

The school reserves the right to interpret the content of the handbook, including the rules and regulations governing the conduct of students and parents. This handbook is not a contract, nor is it intended to be construed as such. Our school reserves the right to modify and/or amend the content of this handbook at any time during the year as we deem appropriate.

If you have any questions about the handbook or any of its policies, please contact the Owner.

Equal Opportunity

This school does not discriminate based on race, color, religion, national origin, sex, citizenship, handicap or disability or any other legally protected status regarding admissions or in the administration of its educational policies and administered programs.

This school makes its programs and services accessible to individuals with disabilities. The school welcomes requests for accommodation. The school will attempt to provide reasonable accommodations to qualified students with mental or physical disabilities, to the extent that such a request does not cause a fundamental alteration to the school's programs/curriculum and to the extent that it does not create an undue hardship for the school.

The first step in requesting an accommodation is to provide the Director with documentation of the condition from a qualified professional, such as a physician, psychiatrist, or psychologist. Upon receipt of such documentation and recommendations, we will communicate with the family in an interactive process to obtain additional information or discuss the circumstances related to the request.

Communications

Family-School Involvement

We welcome family input and encourage you to visit your child's classroom and speak with your child's teacher. We have an open-door policy at our school and families are encouraged to get involved in their child's classroom.

If you would like to request a conference, please call during school hours to set up a convenient time. Conferences can be requested at any time and may include the teachers, administration, or both.

Daily, please be sure to check your child's cubby and classroom folder for messages, daily reports, and artwork. Notices and messages sent by you should be written or can be submitted to the teacher via preschool2me or remind messaging.

Infants through four-year old will have a daily report completed by the classroom teachers to relate the day's events specific to your child.

There are daily opportunities to get involved in your child's day, so feel free to come and have lunch with your child in our Kids Café. Many additional activities will be provided to encourage interaction between families, teachers, and children such as carnivals, family picnics, holiday parties, and field trips.

Another way to participate in the education of your child is through donations. Please check with your child's teacher for the items of need for special activities. Some general items used in the classroom are magazines, newspapers, greeting cards, dress up clothes, hats, paper, books, wrapping paper, ribbons, and many other household items.

We welcome any questions and suggestions. If there are family situations that affect your child, please discuss them with your child's teacher, or the Director. Remember that any information regarding a personal issue is kept confidential and we are glad to help whenever possible.

Role of Families or Other Caregivers: Our General Expectations for You

The relationship between families and school staff is vital to the success of a child's experience. A partnership must be formed the first day, with open communication and understanding that the development and the growth of the child is our top priority.

Families can assist and help ensure a smooth transition by doing the following:

- Sign children in and out at the front desk and then escort them to their designated class.
- Always supervise your children while escorting them inside the school and in the parking area.
- Drive safely through the parking area.
- Complete all forms promptly.
- Update forms, as needed when changes occur (i.e., new phone number, address, etc.).
- Keep staff informed of special needs or changes that might affect your child's behavior.
- Notify the school if your child is ill.
- Notify the school if your child will be absent.
- Notify the school if you will be later than usual picking up your child.
- Provide two changes of clothes marked with your child's name.
This request is for all ages. Our school is not responsible for the lost clothing. Please change clothing seasonally to accommodate the changes in weather and the growth of your child.
- Children should be dressed properly for the weather and play.
- Do not allow children to bring in toys. (This rule does not include special transition toys such as a blanket or other security to be used at naptime.)
- Participate in the school's special activities.
- Attend scheduled family meetings and conferences.
- Ask questions, make suggestions, or address concerns as they arise.

Family-Teacher Conferences

Family/teacher conferences may be scheduled any time during the school year at the request of the family or teacher. Arrangements should be made directly with the teacher.

Concerns with Your Child's Classroom or Teacher: Talk directly with the teacher. Our preference is for teachers and families to keep an open line of communication and work together to solve issues. In case you do not feel comfortable in talking with the teacher, please talk with the Director. Who will work towards addressing your concerns.

Concerns with the Center: Talk directly to the Director or Owner or send us an email at director@kidsrkiidsthewoodlands.com

Harassment, Bullying or Hazing: Please contact the Directors or Owner immediately if you believe you or your child is a victim of harassment, bullying or hazing or any other serious misconduct.

Ideas and Suggestions: We are always open to your input. Our goal is to team up with our families to make Kids'R'Kids the best preschool it can be.

If your concern cannot be resolved by the parties involved, the matter should be taken directly to the Owner.

We follow Conroe Independent School District for school closers, local road conditions and forecasted temperatures. Please call the school, check our website and social media page, watch your local news station, and your text messages for announcements about closings due to inclement weather or other unforeseen circumstances.

If our school must close due to unexpected circumstances, such as inclement weather, full payment of tuition is required. We reserve the right to close any additional days needed and full tuition payment is expected.

Emergency Situations:

If an emergency develops such as severe weather, fire, physical damage to the building or any other situation that poses a threat, the safety of our children is our first priority. Our center is equipped with a weather band radio, fire alarm sprinkler system and fire extinguishers. Fire and severe weather drills are conducted according to state and county regulations or every 30 days.

If there is an emergency and it becomes necessary to close the school, parents will be notified to make arrangements for early pickup. Classroom Experience

Curriculum

Educational priorities are well defined at Kids'R'Kids Learning Academy. Our comprehensive curriculum materials are designed specifically for each stage of development.

The Kids'R'Kids Curriculum establishes a solid foundation for educational growth beginning with a child's first day. Each of our curriculum programs is research-based and includes developmentally appropriate activities.

We continue to educate children through the preschool years and beyond with theme based, academically stimulating, hands-on units. We provide teachers with the curriculum materials they need to create a positive learning environment that will challenge children and move them toward mastering new skills.

Infant through One

Taking care of infants is demanding but rewarding and we recognize that each infant has individual needs. We believe that once a trusting relationship is built, teachers can better assist children in reaching developmental milestones. In a warm, loving atmosphere based on trust and respect, our staff can provide for these needs. In aiding with this transition, our student to teacher ratio is 1 to 4, in attempts to provide each child with the attention they deserve.

We recognize that physical separation from baby and family is always difficult. Our school strives to help families and children experience a calm transition of physical and emotional separation through our safe and loving environment. We encourage families to take the time they need to make this separation as smooth as possible and to let us know how we can support in the process.

Two through Three

Two and three-year old's are naturally curious. Building off this natural curiosity, children are given the opportunity to explore their world safely. Children are encouraged to develop their self-help skills, such as feeding themselves and toilet training. Each child is treated as an individual during this important time to help them develop their independence and self-management skills. The teacher to child ratio for 2 years old is 1 to 11, and for three year old is 1 to 15.

Four through Five

The concept that children learn best through play is reflected in the environmental design of each classroom. Our environment encourages experimentation and freedom of choice. The atmosphere also encourages independence and the building of self-management skills. In addition, the use of a daily schedule helps children feel secure and independent as they anticipate activities and the opportunity of making choices on an individual basis. The teacher to child ratio in this age group is 1 to 18.

Kindergarten through Fifth Grade

At our school we understand the changing needs of older children and their families. A variety of programs are available: before and after school, holidays, and summer camp. Each program is designed to allow for free choice as well as teacher-facilitated activities. Children are encouraged to increase their knowledge, develop as individuals, and expand their social skills. The teacher to child ratio in this room is 1 to 26.

Tuition is paid weekly or monthly in advance with no deductions for absence, holidays, teacher workdays and days the school is closed for inclement weather. Tuition is due on the Friday prior. If the tuition and fees are not paid in full by close of business Monday, a late fee will be assessed, and the child will be subject to dismissal. Monthly tuition is calculated by determining the number of Mondays in the month and multiplying by the weekly rate.

When a payment is delinquent for one week, the space can no longer be reserved for your child. Your child will not be permitted to attend school as of Wednesday of any week that tuition is not paid in full.

Families will be notified of any changes in tuition within four weeks of the change. We reserve the right to change tuition and/or program fees due to unforeseen increases in expenses. When a child has transitioned full time into an older classroom the new tuition rate will become effective on the first Monday in the older classroom.

No portion of your weekly paid outstanding tuition will be refunded or canceled in the event of absence, withdrawal, or dismissal from school. **Should it become necessary to withdraw your child for any reason, a two-week written notice must be given to the administration.** If the notice ends on a Monday, Tuesday, Wednesday or Thursday, tuition for the entire week is due. We reserve the right to dismiss any student at the discretion of the School's Director or Owner.

We will be closed the following holidays: New Year's Day, Martin Luther King Jr. Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and day after Thanksgiving, Christmas Eve, Christmas Day, and New Year's Eve.

If our school must close due to unexpected circumstances, such as inclement weather, then full payment of tuition is required. We reserve the right to close any additional days needed and full tuition payment is expected.

Before- and After-School Care Fees

Before- and After-School Care is available for all children attending local public and private elementary schools. We provide transportation using Kids'R'Kids School Buses equipped with seat belts. Fees for this program vary according to the school calendar. Please check the fee schedule for additional fees regarding school holidays, early-release days and seasonal breaks.

Withdrawal

Families are responsible for initiating the child withdrawal process. Families will need to give a written two-week advance notice for the child's withdrawal. The family is responsible to pay full tuition for those two full weeks. The family must ensure that any school property in the possession of the child or child's family is returned, and any outstanding financial obligations are met.

Dismissals

The staff will work with each child to meet the needs of that child and every effort will be made to provide a positive learning experience.

However, this school reserves the right to ask families to make alternative arrangements for care if it is determined that a child's needs cannot be met, or the child has not adjusted to group care provided by the School. In the event behavior becomes disruptive to the program or poses an unsafe situation for the child or other children in the school, alternative arrangements may be required.

A dismissal will only be considered after careful consideration. If the school determines that our program is not a successful match, families will be given referral information to assist in the transition to a program better suited to the family's needs.

If you, the parent, are uncooperative in completing and returning forms, fail to pay your tuition on time, fail to follow any state or county regulations, or fail to follow any Kids'R'Kids Policy or Procedure, it may be necessary to dismiss your child from our school.

Attendance

School Hours

This School is open Monday through Friday, 12 months per year, from 6:00 A.M. until 6:30 P.M. Please refer to the tuition fee schedule for the holidays school is closed, as they may change from year to year. Since we are licensed only for specific hours of operation, no early drop-off or late pick-up can be allowed.

Arrival

We require all children arrive by 9:30 A.M. Morning activities usually begin at this time, and this will help your child to be a fully participating group member. Having your child at school by morning group time allows us to accurately account for them during our lunch preparation. The school must be contacted if your child will be arriving after 9:30 A.M. All children must be escorted into a classroom by an adult. Upon arrival into the classroom, we ask that you wash your hands as well as your child's hands. This will help us minimize the spread of illness. Your child's arrival must be acknowledged by the classroom teacher before you can leave your child. Please note that if your child arrives after breakfast time, we will not be able to provide this service.

Departure

To pick up a child from our school, an adult must come into the building, sign the child out, let the teacher be aware of your presence and escort the child out of the building. The family or guardian must always supervise their child after leaving the classroom, both inside the building and in the parking area. If someone other than a family member is picking up a child, they will be asked for a picture ID to match the person to the name given by the family.

Late Fee

If you will be late arriving to the school for pick up, please call, and notify the administration. **After 6:35 P.M. there will be a charge of \$35.** The late charge is due on the same day. If children are left at the school one hour after closing and no attempt to contact the school has been made, legal authorities will be contacted.

Absences

Families can assist and help ensure a smooth transition by notifying the school of your child's absence and the reason. If we do not take your child to school, then we assume that they are absent, and we will not expect to pick up your child unless it is agreed upon in advance that you will provide morning transportation and we will provide.

Health and Safety

General Safety Statement

All the policies, rules and regulations presented in this handbook are designed to make the time your child spends at our school safe and rewarding. We have taken several steps to promote the safety and protection of your child while in our care. They are as follows:

- All exits and entrances are locked and only accessible by keypad code entry or key.
- Classrooms are surrounded on three sides by tempered glass walls for easy viewing.
- Frequent observations of the classrooms are performed by the administration.
- All common areas of the school are able to be viewed via the closed-circuit internet camera system which is password protected.

Classroom Safety

Our school is in an area which is free from conditions which are deemed hazardous to the physical and moral welfare of the children. Our school provides equipment and furnishings that are child-sized, sturdy, safe and in good repair. Individual teachers are responsible for the set-up of their classroom. It is part of their daily routine to wash and sanitize toys and furniture and to watch for and eliminate any hazards present in the classroom. Teachers are provided with guidelines as to what equipment and toys should exist in each classroom.

Playground Safety

A safe, age-appropriate outdoor environment is provided for our children. The following rules are enforced for indoor and outdoor play areas: **Unless you have a doctor's note all children are to go outside twice per day.**

- When a class has outdoor time, all children must stay with their class.
- Teachers will supervise the children on the playground at all times.
- In case of an accident, one teacher may bring a child in for first aid.
- At no time will the class be left on the playground without appropriate supervision.
- The administration and the teachers will inspect the playground daily and report any unsafe conditions immediately
- Physical activities are offered through enrichment program such as Soccer Shots.

Sick Policies

Our ultimate goal is to provide a place where your child can learn, develop and have fun in a safe and healthy environment. The school is not equipped with the staff or facilities to care for sick children for an extended length of time. We depend on you to assume care for your sick child. The following guidelines for excluding children help us to keep many communicable illnesses out of our facility and thereby maintain regular attendance from the majority of the children and staff.

A child will be excluded from the classroom and comforted by a member of our administration while the family members are contacted to pick up within two hours in the event of:

- For infants: fever of 100.4 degrees or higher
- Children ages 1-12: fever of 100.4 degrees or higher
- Three diarrhea episodes in a day
- Skin rashes that are not diagnosed by a physician's note
- Vomiting episodes of more than two a day
- Nose drainage that is thick and green or excessive for the comfort of the child
- Eye drainage of any type accompanied by red eyes or mucus crusted around the eyes
- Pink eye or symptoms similar to those of pink eye
- Chicken pox or measles sores are suspected
- Scabies are suspected
- Respiratory problems including uneven breathing or severe coughing with wheezing or croup
- Sore throat, especially if swollen glands are suspected
- Strep throat symptoms are suspected
- Head lice are found
- Appearance or behavior is unusual, and the teachers agree that the child is not feeling well enough to participate with the rest of the class including lack of appetite, confused or irritable
- Unusual color is noticed in the child such as jaundiced eyes or skin, pale in the face, stool or urine is an unusual color

All of these conditions (except fever) will require 24-hour treatment or a doctor's note for the child to resume their normal attendance schedule. Children must be completely fever-free for 24 hours without the aid of medication before returning to school.

If your child becomes ill at the Center, we will contact you and isolate your child from other children until she/he is picked up from school. If your child is absent, please contact us and let us know the reason. We will need this information to prevent the spread of contagious disease in the facility.

Infectious Diseases

If a child or staff member is diagnosed with an infectious or communicable disease, you will be notified by a sign on your child's classroom door. The sign will contain the name of the disease, the date it was diagnosed, and any symptoms that would alert you to the presence of the disease. It is your responsibility to report to the School any infectious or communicable disease for which your child is diagnosed.

The School should be notified by the family if a child or sibling has contracted a communicable disease such as measles, pink eye, strep throat, head lice, hepatitis, meningitis, mononucleosis, or any other communicable diseases. The student with the communicable disease must be cleared by a doctor or nurse before returning to School.

Medication Policy

- Complete the medication form, available at the front desk and give it to the Directors. This form is good only for one week. Additional forms will need to be filled for following weeks.

- We require that families provide a signed authorization including administration and dosage procedures for each medication to be administered. Any potential adverse reaction to the medication must be listed on the authorization so that the child can be properly monitored and families notified accordingly. This authorization is required at the beginning of each calendar week.
- We do not permit giving non-prescription, over the counter medication or topical, non-medical ointment, repellent, lotion, cream or powder without:
Written authorization from the child’s family and written doctor’s authorization and instructions stating:
 - The child’s full name
 - The name of the medication or the prescription number
 - The amount and frequency of dosage
 - The name of the prescribing physician
 - The date the instructions were signed by the physician
- Over-the-counter medicines must be in their original containers.
- Medicine is administered at 11:30 a.m. by a member of the administrative staff. If your child is to have medicine at any other time, families must make arrangements to come by the School and administer the medicine themselves or make other arrangements with the School Management.
- Special circumstances requiring the administration of additional medications must be discussed with the School.
- We will not administer any medication after its expiration date or for non-medicated reasons, such as to induce sleep.
- We will not accept a Medication Authorization Form that states the medication to be given “as needed.” Parents must indicate the exact conditions under which the medication should be given.
- Only ONE medication can be listed on each Medication Authorization Form.
- If your child receives an antibiotic from his/her doctor that specifies 2 or 3 times per day dosage, those doses should be administered both before and after School. Please note that antibiotics must be given at home for 24 hours prior to your child returning to School.
- Prescription medication must be in its original container bearing the pharmacist’s label.
- All medications must be dropped off and picked up at the front desk, each day. These medications will be stored in a locked secure area inaccessible to the children. Medication may not be transported to the classroom by families. **NO MEDICATION MAY BE PLACED IN THE CHILD’S BAG OR TAKEN INTO THE CLASSROOM FOR ANY REASON.**
- All medication must be taken home daily to ensure proper family control.
- Exceptions to this rule are life-saving medications such as breathing treatments. Any child needing these types of medications administered will be placed on a “Care Plan” developed by the child’s family, a medical expert, and the School Director. Any “Care Plan” currently in use will remain so until renewal time (at least every 6 months)
- Children are not allowed to bring any type of medication to the School to administer themselves.
- Thank you for adhering to this policy to ensure the health and safety of all children.

Emergency Medical Care

Each child, upon enrollment, must have emergency care information on file. It is the family's responsibility to keep this information current. In the case of a medical emergency, you will be notified immediately.

If warranted, emergency medical personnel will be contacted to provide transportations to the nearest hospital specified on the Health and Emergency Information form. If possible, a member of the School administration or the child's teacher will accompany the child.

Breastfeeding

Human milk has been medically proven to be the best milk for infants as it supports optimal health and nutritional development. Kids'R'Kids supports breastfeeding by providing nursing mothers with a place to sit and breastfeed. We provide an adult-size chair in the classroom, a pillow to support the infant, a stepstool if required and water upon request for hydration. Breastfeeding is only allowed in suite 100.

Immunizations

The School must have on file the Immunization Records for each child with specific dates recorded. These forms are obtained from a private physician or the local Health Department. The immunizations must include:

- a series of 5 DPT doses (age appropriate)
- 4 doses of polio (OPV)
- 2 doses of measles, mumps, rubella (MMR) (age appropriate)
- Completed 3-shot hepatitis series
- Vermicelli (chicken pox) shot
- All forms must be dated and signed by a physician before the child's first day of School.

Accident Reports

Staff members may apply simple first aid at the School for minor injuries such as cuts, abrasions, bruises, and insect bites. If any of these occur and first aid is administered, a "Incident/Accident Report" will be completed. This report will state the nature of the injury, the cause, and the treatment. It will be signed by the teacher who completed the report, a member of administration and the family. The School will then log the incident in the child's file. If an accident is caused by or involves another child, that child's name cannot be given out and will not appear on the report. Families will be notified immediately if a child receives any injury other than a minor one.

Reporting Abuse and Neglect

In the event a trained staff member feels a child has been abused or neglected, that staff member has responsibility to report his/her suspicion to the School Administration. At that time the administration will determine if the suspected abuse or neglect is accurate. If the administration then feels that the suspicion is founded, they will contact social services to begin to a formal investigation. All activity will be documented, including the initial report by the staff member. The staff member may choose to remain anonymous.

All allegations of abuse or neglect will be received by the state agency overseeing childcare as well as Kids'R'Kids International, Inc. The county department of social services will determine if an investigation is needed within the 24 hours of the complaint. Even if the county department of social services determines the allegation does not warrant investigation, the complaint shall be investigated by the state childcare service and Kids'R'Kids International, Inc.

We take our responsibilities to report suspected child abuse, neglect, and abandonment seriously and will cooperate with governmental authorities in connection with their investigations. If you have any questions regarding the School's mandatory reporting obligations, please consult the Owner.

Reporting of Accidents and Hazards

All accidents, including those which do not involve serious injury, must be reported immediately to the Owner or Director by the staff member. Only through full knowledge of accidents can we strive to maintain a safe and healthy place.

Immediately report any unsafe conditions, defective equipment or other hazards to the Owner. Children are expected to assist in maintaining safe conditions. Safety is a state of mind and requires constant vigilance and common sense. Safety is everyone's responsibility.

Emergency Procedures

If an emergency situation develops such as severe weather, fire, physical problems with the building, or power failure, the children's safety is our first concern. Evacuation route diagrams are posted throughout the facility.

The School is equipped with a fire alarm system, a sprinkler system, fire extinguishers in each room, and a weather alert radio.

Fire drills are performed on a monthly basis and all staff members are instructed on proper tornado procedures. In the event of a natural disaster such as a hurricane, snowstorm, etc., the families will be notified as soon as possible to pick up their child. If the family cannot be reached, the emergency contact will be called (this person should be local to the school).

Child Conduct

Basic Expectations

Our discipline policy at Kids‘R’Kids is built around our understanding of child development. Our goal is to allow each child to find and develop their own personal self-management skills. As teachers and staff, we offer children choices, so they feel powerful in their ability to gain self-control. We use positive behavior management techniques such as positive phrasing and “I” statements as ways to further develop self-discipline. In situations where children are having a difficult time managing negative emotions, they may be removed from the over-stimulating environment to a quiet area where a teacher or member of the administrative staff can work one-on-one to resolve the situation. Families will always be informed if a situation such as this has occurred. If a child continues to have a difficult time, a team meeting with the family may be requested. This meeting will consist of the team developing a plan of action to best meet the needs of the child and the family.

Discipline

Praise, positive reinforcement, and redirection are effective methods for the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy taken from the Kids ‘R’ Kids Parent Handbook and the NAEYC Code of Ethics.

At Kids ‘R’ Kids Learning Academy we use a method of ‘redirection’ to guide children toward appropriate behavior. If a child is engaged in behavior that is not conducive to a safe and happy learning environment, the teacher will redirect the child toward appropriate behavior. OH NO reports are given to be signed by the parent, if the child has not shown self-discipline during the day.

“Above all, we shall not harm children. We shall not participate in practices that are disrespectful, degrading, dangerous, exploitative, intimidating, emotionally damaging, or physically harmful to children.” (NAEYC Code of Ethics – Principle-1.1)

Child Behavior

Children will be subject to disciplinary action up to and including immediate dismissal for:

- Abuse or damage of School property
- Bullying/Harassment/Hazing
- Committing a serious breach of conduct inside or outside of the School
- Disrespect
- Disruption of School functions
- Fighting
- Lewd or obscene behavior
- Possession or use of a weapon, among other things
- Profanity or vulgarity
- Sexual or other misconduct
- Stealing
- Threatening behavior
- Verbal or physical assault
- Violation of School’s “Computer/Network Policy”
- Inappropriate use of the Internet.

- Possession or sale of tobacco, alcohol, drugs, or drug related items
- Willful disobedience

Biting

The School understands that occasional displays of aggression, like biting, are typical in young children and are part of normal early childhood development. **Repeated incidents of biting will not be tolerated. Our objective is to ensure that our School maintains the highest level of safety within our environment and our staff members respond appropriately to aggressive behaviors.**

The School requires all families of children under 3 years old to review the guidelines outlining how our staff will handle a biting incident. These guidelines will be presented with enrollment materials.

Harassment, Bullying or Hazing

Our School is dedicated to fostering an environment that promotes kindness, acceptance, and embraces differences among individuals. Therefore, we will not tolerate any type of harassment, bullying or hazing.

Harassment includes, but is not limited to, slurs, jokes, and other verbal, graphic, or offensive conduct relating to race, religion, color, sex, national origin, citizenship, or disability.

Bullying includes, but is not limited to, physical or verbal aggression (hitting, kicking, taunting, name-calling, teasing, threatening, ridiculing, etc.), relational aggression (harming or threatening to harm relationships or acceptance, friendship, or group inclusion), and emotional aggression (teasing, threatening, intimidating others). The School also prohibits cyber-bullying (creating websites, instant messaging, e-mails, text messaging, using camera phones or other forms of technology to engage in harassment or bullying).

Any of these types of offensive conduct can create an uncomfortable learning environment.

All concerns relating to harassment, bullying or hazing should be reported immediately to the Director/Owner. When the School administration becomes aware of harassment, bullying or hazing, the situation will be promptly investigated. Any child found to have violated this policy will be subject to disciplinary action, including immediate dismissal from School. No retaliation or adverse action will be taken against any person who makes a good faith report of harassment, bullying or hazing.

Drugs, Alcohol, Tobacco

Although it should go unstated, children must abstain from the use or possession of alcoholic beverages, illegal drugs, or tobacco products, both on and off School property. In the event that the School becomes aware of a child's involvement in any of the above-mentioned activities, the Owner will determine appropriate action, which may include substance-abuse testing, treatment, suspension, or expulsion.

This policy does not prohibit the proper use of medication under the direction of a physician. However, the misuse or abuse of such drugs is prohibited. Children who are taking prescription

or non-prescription drugs which could affect their ability to function in a safe and efficient manner must notify the School of this fact when they report to School.

Consequences: In addition to determining the appropriate disciplinary action pursuant to the School's Discipline Procedures, the School reserves the right to impose additional or different requirements as appropriate for the circumstances in its sole discretion.

Threats/Weapons

The School has a zero-tolerance policy in regard to threats and weapons. The possession of dangerous weapons, such as guns and knives, or the display of any item that may be perceived as threatening, whether on or off School property, may be cause for immediate dismissal. Similarly, threats will be addressed as a serious issue. The School will determine the appropriate consequences depending on the circumstances.

Searches

Admission to our School is conditional upon consent to searches by the School. Refusal to comply with a request for permission to search a child's possessions may result in suspension or immediate dismissal of the child.

Behavior Probation

Children who are placed on behavior probation may be required, at the School's discretion, to have their family sign a probationary agreement with the School as a condition of continued enrollment. Failure to comply with the stipulations in the disciplinary probation agreement may result in dismissal.

Family Cooperation

A positive and constructive working relationship between the School and its families is essential to the fulfillment of the School's educational purpose. Thus, the School reserves the right not to extend the privilege of enrollment or re-enrollment to a child if the School reasonably concludes that the actions of the child's family make such a positive and constructive relationship impossible or otherwise seriously interferes with the School's accomplishment of its educational purpose. Moreover, the School reserves the right to expel a child at any time if, in the judgment of the Owner, conduct of anyone directly associated with the child, including but not limited to the child's family, in or out of the School, is not in keeping with the School's accepted standards or principles. There will be no refund of tuition where such enforced withdrawal occurs and any unpaid balance is payable in full according to the terms of the child's enrollment contract.

Dress Code

All children must be fully dressed and wear closed-toed shoes, no Crocks or sandals. All items must be labeled.

Other General Policies and Procedures

- **Computer Care:** Members of the School community will not abuse, tamper with, or willfully damage any computer equipment, use the computer for other than appropriate work, or bring food or drink into any computer area. Any intentional acts of vandalism will result in discipline and children will be held responsible for replacement or repairs.

Confidentiality

Information pertaining to the children enrolled at the School and the staff employed at the School is considered confidential.

To set up play dates or send party invitations, etc., families often ask for the phone numbers and/or addresses of other children in the School. We will happily pass notes or messages from you, but we cannot release confidential contact information.

Babysitting services.

This School will not be held responsible, for any services provided by any staff member, outside of the School working hours.

Diapering

Children are checked at scheduled intervals throughout the day and changed at the first sign of wetness or soiling. No child is knowingly left in wet or soiled clothing. For children who wear diapers or toilet training pants, each family must provide an ample supply for each day/week. We do not supply these items and families will be notified if a child is running low on supplies.

Field Trips

Classes may plan field trips during the year to acquaint children with community resources and to provide educational experiences that will enhance classroom-learning activities. **A signed participation and release form is mandatory for field trips. A child will be unable to attend a field trip unless a signed field trip form is received from a designated family member or guardian.** Families are encouraged to contact their child's teacher to see if additional chaperones are needed.

Children scheduled to go on a field trip will wear a Kids'R'Kids t-shirt and a bracelet identifying the child as a student of Kids'R'Kids. A child may not be checked out from a field trip. This policy is to help the staff keep an accurate count of the children.

Classes will use the School's bus for trips unless another means of transportation is authorized by the Owner.

- Children not attending field trips are required to attend the School unless otherwise advised.
- If there is a financial cost associated with the trip, that financial obligation will be billed to the family account.

Lost and Found

All items turned in to the Lost and Found will be held for 30 days. If not claimed, they will be discarded or donated to a charitable organization.

With the first signs of success, we will recommend that you send your child to school in training pants. Because toilet training can result in many soiled clothing items at school, please be sure your child comes to school with several (two to three) changes of clothing.
