Children's Artwork Spotlight

Last month, Suite 500 learned about boats. Autumn O. (Age 4) made a sailboat using paint, pipe cleaners, glue, and shapes. We love her design and the creativity in her work!

Teacher of the Month:

Ms. Amber Irwin

Ms. Amber has been a part of our KRK team since March of 2022. She is currently a teacher in our 3-4-year-old classroom, Suite 450. Ms. Amber has been a shining star since day one. She is continuously focusing on each child's needs and helping them to exceed their fullest potential

We are so thankful for all that Ms. Amber does for us and our kiddos every day!

Thank you, Ms. Amber!
