GRANDPARENTS DAY CELEBRATION

Wednesday, September 9th

10:00am-11:00am

This year, our Grandparents Day celebration will look a little different. We want to provide a more relaxed and enjoyable experience, so we have scheduled it outside of the busiest times of the day, such as bus runs and peak drop-off hours.

We understand this adjustment may be an inconvenience for some families, and we truly appreciate your flexibility as we work to make this event special for both our students and their grandparents.

We will have light refreshments and activities for our students and grandparents to enjoy! We hope to see you there.

To help with our celebration, we would love to have pictures of children with their grandparents for a slideshow

Hearing and Vision

CHILDREN 4 YEARS AND OLDER OR TURNING 4 YEARS OLD BY SEPTEMBER 1, 2022, ARE REQUIRED TO BE TESTED FOR VISION AND HEARING IMPAIRMENTS

We will have a company called "Texas Screeners" come to KRK of Tomball on **October 2nd** to perform the screening. Cost will be given directly to the company, The cost is \$15.00 per child, **CASH ONLY**.

We will send updated information about date/time and cost when we get confirmation

If you have a Pediatric screening result already, please turn them in to the front by **Wednesday September 23rd, 2026**.

Reminder: Parking Lot Etiquette

School is back in session, which means our daily bus runs have resumed! 🚌

We have **morning bus runs from 7:30–8:30 AM** and **afternoon bus runs from 3:30–4:45 PM**.

During these times, we have placed cones under the awning to keep the bus path clear. However, we are now seeing vehicles parking **in front of or behind the cones**, which still blocks the designated bus route.

Our buses need this entire path to safely maneuver to and from the front entrance. We also have specific rules and regulations we are required to follow during bus runs. When vehicles are parked outside of designated parking spaces, it can prevent our buses from getting through safely and can cause delays.

Please help us keep the bus route clear by parking only in designated parking spaces and never parking around the cones during bus run times.
