Dear Family,

We would like to remind you that we are **NOW OPEN**. As you know, the last several weeks have been exceedingly difficult for all of us but I wanted to share a few things about our enhanced operations, promoting health & safety. Also, I wanted to provide you with a special discount to help ease the financial challenges of getting life back to normal with your childcare needs.

Revised Operational Standards - reflecting **CDC & Georgia "Bright from the Start"** guidelines on health & safety

- Reduced group sizes – not to exceed 10
- Children will have limited exposure to anyone outside of their classroom
- Teachers have been trained on revised classroom operational health & safety standards – i.e., cleaning, food serving, group sizes & more
- Restricted access into building – only students & staff are permitted entry
- Temperatures are taken before allowing access – must not exceed 100.4
- Masks, gloves, face shields, shoe covers, and more are provided for our staff
- School is cleaned and sanitized throughout the day and again by professional cleaners after hours
- Food preparation and serving methods have been changed to better ensure safety
- Strict student and staff attendance tracking – **any absences and causes of absences** are carefully tracked to ensure that we can quickly respond to and communicate relevant information accordingly

Also, during the last several weeks we have conducted a thorough "top to bottom" cleaning of the school. We have replaced and upgraded carpets, toys, books, painted throughout, redecorated and so much more. We have taken full advantage of being closed to ensure that upon reopening, we are ready to serve your family better than ever.

Lastly, a **SPECIAL OFFER** for you:
