Teacher of the Month!

Ms. Karen

Ms. Karen joined our team three years ago this month! She has been a great asset in every room and age group she has worked in, before finding her most recent “home” in Suite 550 working on pre-k curriculum. She has done a wonderful job creating a fun, love-filled, and structured learning environment for our older fours! We appreciate you and all that you do for our school and school family!
