Summer Fun at Kids 'R' Kids!

It's time to get out the sunscreen, try on the bathing suits and pull out cooler clothes because summer is finally here! The sun is shining and the children are ready to have another summer filled with fun!

Our preschool children will enjoy their splash days along with some creative summer activities that we have been excited to try! Although the children will still be doing curriculum activities, there will be plenty of time for some fun!

The school-age children

have their own calendar and will be kept busy with activities, crafts, and special visitors. Although we aren't doing any outside field trips, these kids won't miss out on a thing! The trick is to keep these kiddos busy and they will be begging to come back day after day! From a magic show, a visit from Bricks for Kids and a visit from a snow cone truck, June will be one to remember!

June is also the month that we pay tribute to our Dads as our Father's Day celebration is on June 18th. Please see more information on page three of this newsletter about an event we

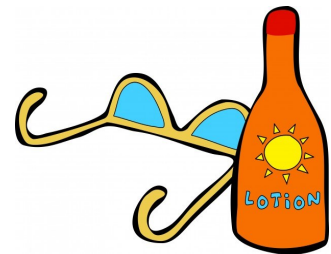

will love all of our dads, Grandpa's and dad figures to attend! It's a super easy drive thru event so no worries about large groups either!

As a reminder, parents are now allowed to come into the building when picking up in the afternoons. We have so enjoyed seeing some familiar faces in our building instead of only outside! If you would like to come in the afternoons to pick up your child, just wear a mask and come on in!

As always, thank you so much for choosing Kids 'R' Kids to be your choice for preschool education!

For the protection of your little ones, please apply sunscreen generously to delicate skin every morning!

As a reminder, our schools will offer sunscreen this year as long as you give permission by filling out a topical ointment form!
